One day, he caught a huge fish. **It** had sliver scales that glittered in the sunlight, blood-red fins and a golden crown. It was so beautiful that Li stood, amazed, staring at the fish as it thrashed about in the net. Suddenly Li felt guilty. It was so beautiful and surely it must have a family. So, Li scooped it up out of the net and set it free. Li stood watching as the fish swam out to sea. Then, to his amazement. It turned and spoke to him. "Li, you have saved the King of fish, I grant you one wish. Tell me your heart's desire." Li shouted, " **I** wish for my father to see my son in a cradle made of gold". Li became a rich fisherman.

First, crack the eggs into a bowl, add the milk with salt and pepper and beat the mixture with a fork. Then, heat a medium sized pan over a medium heat and add the butter. Add the egg mixture to the pan and as it begins to cook. After that, fold over in half to create a semi-circle. You can add extra fillings like cheese or mushroom. العاميها

When we use a reflexive pronoun in this way, it means the same as *alone* or *independently* and is added for emphasis. In other words, it's grammatically correct to say *I made the cake*, but adding *myself* ☻ it was done without help.

Use the reflexive pronoun when the subject and the object are the same person.

he	→	himself	you	→	yourselves
