## **Model Writing – Writing a story (an unforgettable day)**

### **Model (1)**

Last week on a rainy day I was getting ready for my friend's graduation party.

The sky was full of dark clouds, then thunder started rumbling, I was frightened to drive, but I really wanted to go to my friend's party.

While I was driving, the thunder's sound got louder and louder, I was trying to concentrate because the streets were filled with water.

I was about to arrive, suddenly I heard a big bang from the back of my car. Sadly, a car had crashed into mine. I got out of my car to see what happened, an old lady came out from her car and was worried, I tried to calm her down as I was checking my car. Luckily, there was no major damages so I told her not to worry and we got into our cars and drove to our destinations.

I arrived a bit late. Everybody was there and my friend was looking at me angrily, but when I told him the story, he hugged me and told me "I'm happy that you arrived safely".

It was the nicest party ever, we were dancing and singing all night till the rain stopped. It was really an unforgettable night.

## **Model Writing – Writing a story (an unforgettable day)**

### **Model (2)**

Last summer holiday my parents took me to visit my grandma in Paris, France. The flight took 5 hours! When we arrived, my grandma was there to meet us. It was wonderful to see her again.

The next day my grandma said that she was going to take us to see the Eiffel Tower, one of the most beautiful towers in the world. It was stunning! I was taking some pictures with my new camera when all of a sudden I saw a boy who was about to fall from the tower.

I watched in horror as he was alone. I told my father to get help. I was sure the boy was going to fall from the tower. My father ran quickly trying to catch the boy before he falls. Suddenly, a young man saw the boy and grabbed him from his jacket!

It was a relief that the boy was rescued. “You are a hero.” my father said to the young man. The boy was still breathing heavily and sweating and when his family saw him they rushed to hug him feeling overwhelmed and we all were really happy that nothing bad happened to the boy.
