## Vocabulary Quiz

**Read the text and choose the correct word(s) to complete the sentences:**

Many university students have to decide where to live when they start studying. Some choose to live in a **(1)** \_\_\_\_\_, where they share rooms with other students. This is often a fun and **(2)** \_\_\_\_\_ option because it doesn't cost much and helps them make new friends easily.

Other students prefer to live **(3)** \_\_\_\_\_ so that they can have more **(4)** \_\_\_\_\_ and quiet time to study. Living alone or with one roommate allows them to focus better on their courses, especially if they are doing a **(5)** \_\_\_\_\_ such as a master's or PhD program.

At the same time, many universities build modern housing to **(6)** \_\_\_\_\_ problems such as overcrowded rooms and lack of facilities. Whatever they choose, students should find the environment that helps them learn and enjoy their university life.

## Vocabulary Quiz

**Read the text and choose the correct word(s) to complete the sentences:**

When students go to university, they face many new experiences. Some students decide to live in a **(1)** \_\_\_\_\_, where they can meet new people and share daily life with others. However, some prefer to live **(2)** \_\_\_\_\_ because they enjoy independence and need quiet time for study.

Living alone can be more expensive, but it gives students more **(3)** \_\_\_\_\_ to focus on their goals. For example, a **(4)** \_\_\_\_\_ who studies for a master's program may need long hours of reading and research, so living in a peaceful place is important.

Outside the city, there are also places where students can relax and enjoy nature. Visiting a **(5)** \_\_\_\_\_ helps them learn about wildlife and the importance of protecting our planet. Such trips remind young people that learning doesn't only happen in classrooms.

Finally, universities should try to **(6)** \_\_\_\_\_ stress by organizing outdoor activities and health programs for all students.
