## Choose the best options to fill in the following gaps:

Last Monday, Sarah came home from school looking both excited and puzzled. She told her mother that something strange had happened during English class.

"Mrs. Allen said she (1) \_\_\_\_\_ ( **would give** - **gives** - **will give**) us the test results by Friday," Sarah explained. Her mother raised an eyebrow. "So, how did you do?"

"I don't know yet," Sarah replied. "Then she asked me (2) \_\_\_\_\_ ( **do I do** - **if I had done** - **did I do** ) all my homework last week." Apparently, Sarah had forgotten to complete one of her assignments. She seemed nervous and added, "She also told me (3) \_\_\_\_\_ ( **be** - **to be** - **being** ) more responsible."

Her younger brother, who had been eavesdropping, laughed. "Did she yell at you?"

"No," Sarah answered, rolling her eyes. "But she asked (4) \_\_\_\_\_ ( **whether I had come** - **if I come** - **did I come** ) late on purpose."

Their mother looked concerned. "You're not in trouble, are you?"

"I don't think so," Sarah said. "She told me that she (5) \_\_\_\_\_ ( **gives** - **will give** - **would give** ) me another chance."

Her mother nodded. "That's fair."

"Oh! And she asked the whole class (6) \_\_\_\_\_ ( **to be** - **being** - **be**) ready for a surprise quiz tomorrow," Sarah groaned.

Her brother laughed again. "Better start studying!"

Sarah sighed and muttered that maybe next time she'd remember to write her assignments down when the teacher (7) \_\_\_\_\_ ( **told** - **tells** - **telling** ) them.
