Grade 10 Advanced: Vocabulary & Grammar Maze Assessments

Below are **10 Vocabulary Maze tests** and **10 Grammar Maze tests** tailored for Grade 10 Advanced (Stage 7 / CEFR B1.2–B2.1)

PART 1: VOCABULARY MAZE TESTS (10 TESTS)

Test 1: Health & Medical Symptoms

Read the text and choose the correct word to complete each sentence (a, b, or c).

Theme	Vocabulary
A Picture of Health	symptoms, prescription, fraudulent, dishonest, syndrome, remedy, nervous, stress, toothache, upset stomach
Infotainment	connectivity, productivity, slogan, commercial, memorable, informative, witness, investigation, injuries, scene

Maintaining a healthy lifestyle requires paying attention to early warning signals from your body. When individuals experience persistent (1) **[a) symptoms / b) prescriptions / c) remedies]** such as chronic fatigue or frequent headaches, it is crucial not to ignore them. Rather than relying on self-diagnosis or unverified treatments, consulting a qualified physician ensures you receive an accurate diagnosis and an appropriate (2) **[a) syndrome / b) prescription / c) toothache]**. Unfortunately, the internet is filled with misleading claims and (3) **[a) fraudulent / b) nervous / c) honest]** advertisements promoting quick fixes that lack any scientific backing. Falling for such dishonest schemes can delay proper medical care and worsen an underlying (4) **[a)**

remedy / b) symptom / c) syndrome]. Therefore, always seek professional medical advice whether you are dealing with a severe illness or a simple localized pain like a persistent (5) **[a) toothache / b) prescription / c) fraud]**.

Test 2: Stress & Well-being

Read the text and choose the correct word to complete each sentence (a, b, or c).

Modern academic and professional environments often expose individuals to high levels of psychological pressure. When students face intense workloads and tight deadlines, they frequently feel overwhelmed and (1) **[a) nervous / b) fraudulent / c) prescribed]**. Prolonged exposure to academic pressure can lead to chronic (2) **[a) stress / b) remedy / c) symptom]**, which negatively impacts both mental and physical health. To combat these daily pressures, finding an effective natural (3) **[a) prescription / b) remedy / c) toothache]**—such as mindfulness meditation, regular physical exercise, or yoga—can restore emotional balance. Ignoring physical warning signs often leads to secondary issues, including an (4) **[a) upset stomach / b) fraudulent / c) prescription]** or tension headaches. Developing healthy coping mechanisms early on is essential for long-term academic success and personal well-being.

Test 3: Infotainment & Media Literacy

Read the text and choose the correct word to complete each sentence (a, b, or c).

In today's digital age, media organizations constantly compete for public attention through various channels of mass communication. Effective digital (1) **[a) connectivity / b) slogan / c) commercial]**

allows users to access news, educational content, and entertainment instantaneously across multiple devices. Modern advertising campaigns rely heavily on a catchy (2) **[a) productivity / b) slogan / c) witness]** that remains memorable to consumers long after they see the advertisement. While many television programs are purely entertaining, educational broadcasting aims to be both engaging and highly (3) **[a) informative / b) commercial / c) fraudulent]**, helping viewers expand their knowledge base. However, media consumers must remain critical of promotional content designed solely to boost corporate (4) **[a) productivity / b) connectivity / c) commercial]** profits rather than deliver objective truth.

Test 4: Advertising & Commercials

Read the text and choose the correct word to complete each sentence (a, b, or c).

The influence of commercial advertising on consumer behavior has been a subject of extensive psychological research. A well-designed television (1) **[a) commercial / b) slogan / c) connectivity]** uses persuasive imagery and emotional triggers to convince viewers to purchase a product. Companies invest millions of dollars to create a brand image that is instantly recognizable and (2) **[a) informative / b) memorable / c) fraudulent]** to target audiences globally. Before launching a major marketing campaign, advertising agencies often conduct comprehensive market surveys to gather reliable consumer data and measure potential product success. If a deceptive advertisement makes false claims, regulatory authorities may step in to launch a formal (3) **[a) investigation / b) witness / c) injury]** and impose severe financial penalties on the offending corporation.
