Sarah asked \_\_\_\_\_ I wanted to join the trip. A) what B) if C) where

## Part 3A: Reading (True / False / Not Given) (24 Marks)

Read the text.

What Is Beautiful Architecture?

Architecture is more than constructing buildings. It combines creativity, culture, and functionality. Beautiful architecture often reflects the history and values of a community while also meeting the needs of modern life.

Many famous buildings attract tourists because of their unique designs. Architects carefully consider materials, shapes, and environmental factors when planning a project. In recent years, sustainable architecture has become increasingly popular because it reduces energy consumption and protects natural resources.

Some people believe that beauty in architecture depends on personal taste, while others think certain designs are universally attractive.

Decide whether the statements are:

True (T), False (F), or Not Given (NG).

Architecture only focuses on appearance. f

Famous buildings often attract visitors. t

Architects ignore environmental concerns. f

Sustainable architecture helps save resources. t

Everyone agrees on what makes a building beautiful. f

The text explains how architects are trained. Not given

Part 3B: Reading (Multiple Choice) (28 Marks)

Read the text.

### Homes Through Time

Homes have changed greatly throughout history. Early humans lived in caves and simple shelters made from natural materials. As societies developed, people began building stronger homes using stone, wood, and later bricks.

During the Industrial Revolution, many families moved to cities in search of work. As a result, large numbers of houses were built quickly to accommodate growing populations. In modern times, technology has transformed housing. Smart homes now allow people to control lighting, heating, and security systems through mobile devices.

Experts predict that future homes will become even more energy-efficient and environmentally friendly.

Choose the correct answer.

What is the main idea of the text?

- A) Smart homes are expensive.
- B) Homes have changed over time.
- C) Cities are overcrowded.

Early shelters were mainly built from:

- A) steel
- B) glass
- C) natural materials

Why did many people move to cities?

- A) To find jobs
- B) To study architecture
- C) To travel

The word "accommodate" is closest in meaning to:

- A) replace
- B) house
- C) remove

What can be inferred about future homes?

- A) They may use energy more efficiently.
- B) They will be smaller.
- C) They will be built underground.

Which statement is true according to the passage?

- A) Smart homes existed in ancient times.
- B) Homes have remained unchanged.
- C) Technology has influenced modern housing.

The author's purpose is to:

- A) entertain readers
- B) explain the development of homes
- C) advertise smart homes

Part 3C: Reading (Beyond Grade Level Goal) (28 Marks)

Read the text.

Intercultural Communication

- In today's globalized world, people from different cultural backgrounds interact more frequently than ever before. While these interactions can be rewarding, misunderstandings sometimes occur because cultural norms vary significantly.
- For example, direct communication may be appreciated in one culture but considered impolite in another. Similarly, gestures that seem harmless in one country may have different meanings elsewhere. Successful intercultural communication requires open-mindedness, patience, and a willingness to learn about other perspectives.
- Many organizations now provide cultural awareness training to help employees work effectively in international environments.

Choose the correct answer.

What is the main idea of the passage?

- A) Learning foreign languages is difficult
- B) . B) Cultural differences can affect communication
- C) . C) International travel is increasing.

Why do misunderstandings occur?

- A) People speak too quickly.
- B) Cultural norms differ.
- C) Technology is unreliable.

The word "perspectives" means:

- A) opinions
- B) jobs
- C) traditions

Which quality is important for intercultural communication?

- A) impatience
- B) open-mindedness
- C) competition

What can be inferred from the text?

- A) Cultural awareness can improve workplace communication.
- B) All cultures communicate in the same way.
- C) Gestures have identical meanings worldwide.

Why do organizations offer cultural awareness training?

- A) To increase profits only
- B) To help employees communicate effectively
- C) To reduce working hours

Which statement best summarizes the author's view?

- A) Cultural differences should be ignored.
- B) Understanding other cultures is beneficial.
- C) International communication is impossible.
