## Vocabulary Mazes for EOT 3 Exam – G10 ADV

### Maze 1

When students apply to university, they usually need to (1)\_\_\_\_\_ several forms and provide proper (2)\_\_\_\_\_ before they can register for classes. Many students spend weeks deciding on a (3)\_\_\_\_\_ because they want a subject that matches their interests and future career goals.

Sara recently moved into a university (4)\_\_\_\_\_ that can (5)\_\_\_\_\_ more than 300 students. At first, she found the registration (6)\_\_\_\_\_ a little confusing because there were many requirements to follow. However, after attending an orientation session, she understood the (7)\_\_\_\_\_ much better.

Her advisor encouraged her to (8)\_\_\_\_\_ on understanding key ideas rather than trying to (9)\_\_\_\_\_ every detail. He explained that some scientific theories are quite (10), so students should carefully (11) examples and class demonstrations. Sara followed this advice and soon began doing (12)\_\_\_\_\_ in all her courses.

## Maze 2

At the beginning of the semester, students were asked to (1)\_\_\_\_\_ a survey about their study habits and academic goals. The information helped the university (2)\_\_\_\_\_ a new support program for first-year students. Before participating, each student had to provide valid (3)\_\_\_\_\_ to confirm their registration.

One group of students decided to (4)\_\_\_\_\_ a study on time management among university learners. Their professor explained that the (5)\_\_\_\_\_ was not simple because human behavior can be quite (6). The researchers needed to carefully (7) students' habits and record accurate data.

During the project, the team developed a new (8)\_\_\_\_\_ to organizing study schedules. Instead of trying to (9)\_\_\_\_\_ large amounts of information, students were encouraged to understand key ideas and review them regularly.

Meanwhile, Ali moved into a university (10)\_\_\_\_\_ and learned how to manage his monthly (11)\_\_\_\_\_. Although life at university could sometimes be a (12)\_\_\_\_\_, he adapted quickly and enjoyed meeting new friends.

## Maze 3

When Kareem started university, he needed to find a place to live near campus. Before choosing an apartment, he carefully (1)\_\_\_\_\_ his monthly costs, including food, transportation, and housing. He also compared the (2)\_\_\_\_\_ of several apartments to decide which option was best.

One apartment was located in a very (3)\_\_\_\_\_, with security cameras and a receptionist available all day. It was fully (4)\_\_\_\_\_, so Kareem would not need to buy furniture. The building also offered excellent (5)\_\_\_\_\_, including a gym, study rooms, and a laundry area.

However, there were some (6)\_\_\_\_\_ to consider. The monthly (7)\_\_\_\_\_ was higher than he expected, and some previous residents complained about (8)\_\_\_\_\_ pipes in the kitchen. The landlord promised to (9)\_\_\_\_\_ the problem and complete any necessary (10)\_\_\_\_\_ before new residents moved in.

The apartment was conveniently located near a major (11)\_\_\_\_\_. A supermarket stood directly (12)\_\_\_\_\_ the building, making shopping quick and easy.

## Maze 4

When Omar moved to a new city for work, he needed to find an apartment that suited his needs and budget. Before making a decision, he carefully (1)\_\_\_\_\_ all of his monthly costs, including transportation, food, and housing. He discovered that some apartments had lower (2)\_\_\_\_\_, but additional charges for electricity, water, and internet made them more expensive overall.

One apartment was located on the (3)\_\_\_\_\_ of a quiet street near a large shopping center. Another building stood directly (4)\_\_\_\_\_ a public park and offered beautiful views. Although the location was convenient, the apartment felt quite (5)\_\_\_\_\_ because the rooms were small and there was little storage space.

The owner explained that the apartment was fully (6)\_\_\_\_\_ and included several useful (7), such as a gym and a swimming pool. As a future (8), Omar appreciated these benefits. However, during his visit, he noticed a (9)\_\_\_\_\_ ceiling in one of the bedrooms. The landlord promised to (10)\_\_\_\_\_ the problem immediately and complete all necessary (11)\_\_\_\_\_ before the apartment was rented.

After considering the (12)\_\_\_\_\_ of each option, Omar finally chose the apartment that offered the best balance of comfort, cost, and location.
