Europe is a key Market for our products.

Our company is an important employer in the local community.

Thanks to the growth in construction, ceramics is a booming industry with scope for expansion.

There has been growing interest in our products from Asia and the Middle East.

Workers use traditional skills to produce a high-quality product.

We are a small Firm specialising in floriculture, based in Al Hayder.

The company started off as a Family business and has grown into a multi-national.

Write a paragraph about one of the industries you heard about from your partner the following:

Why it is an important industry for the UAE.

Why it is a good opportunity for investment.

that The country made any product and sell it and buy. As
I have an industry.

6 We are a small

7 The company started off as a family business and has grown into a multi-national giant. ^{because}

4 Write a paragraph about one of the industries you heard about from your partner. Include the following:

- Why it is an important industry for the UAE.
- Why it is a good opportunity for investment.

Industry mean that The country made any product and sell it and buy. And also we know that in eche country the should have an industry.

The industry is important to take our country up. And to be more famous in the world. And to save our money.
