- 3 Saeed was asked in class to write about his local mosque and what makes it so nice to look at. Read the description he wrote to his classmates. Read it again. Locate the head nouns and underline each pre-modified noun phrase.

Dear friends,

Yesterday evening, I went to my local mosque near my house.

It is a wonderful sandstone-coloured, ornate building with nice, large, wooden doors that are very welcoming. The tall, clean minaret can be seen from miles away so when I am travelling home I can see it straightaway. The mosque has a large, curved dome and it is very decorative. It has cool, marble floors on the outside and round, flowing archways. I really love going there!

Could you tell me about your local mosque?

Thanks,
Saeed

- 4 Respond to Saeed's letter by telling him about your local mosque. Try to describe at least three features. Use as many complex noun phrases as you can. Write your reply in the space provided.
