Grade 3 (2024-2025)

Homes All Around

People and animals live in many different kinds of homes. Some people live in houses. Some live in apartments. Others may live in huts or cabins. Homes keep people safe, warm, and dry.

Animals also have homes. Birds build nests in trees. Bees live in hives. Rabbits dig holes in the ground called burrows. Every animal finds or builds a home that helps it stay safe.

No matter where they live, all homes give shelter and help keep living things safe

build	houses	burrows
hive	safe	

1- Some people live in _____ with their families.

2- Animals _____ their homes to stay safe.

3- Rabbits dig deep _____ in the ground.

4- A bee lives in a _____.
