Planet Protectors

Planet Protectors are students who protect the environment every day. They save energy by turning off lights and computers when they are not needed. They reduce waste by recycling plastic bottles and reusing old paper. At school, they use less water and avoid too much plastic packaging. Do you use reusable bags at home? They also go on clean-up walks and pick up litter. Their teacher tells them to follow instructions carefully and move around the park by collecting trash. They believe small actions can make a big difference on Earth. They also encourage their friends to protect nature by joining green activities at school.

1. What do Planet Protectors do to save energy?

- A. They turn off lights and computers
- B. They turn on more lights
- C. They use more electricity

2. What does "reduce waste" mean in the text?

- A. Create more rubbish
- B. Make less rubbish
- C. Buy more plastic items

3. Do Planet Protectors recycle plastic bottles?

- A. Yes, they do
- B. No, they don't
- C. Only at home

4. Which sentence is NOT true about Planet Protectors?

- A. They reuse old paper
- B. They pick up litter
- C. They waste a lot of plastic

5. Why do Planet Protectors do these actions?

- A. To get more homework
- B. To protect the Earth and make a big difference
- C. To avoid going to school

Read the text and choose the correct answer. Choose A, B, or C.

Every morning, Planet Protectors arrive at school ready to help the environment. First, they check classrooms to make sure lights and fans are off when not needed. During break time, they sort waste into recycling bins for plastic, paper, and general trash. After lunch, they remind friends not to waste water in the bathrooms. Do you throw away plastic bottles every day? After school, they join eco-clubs and plan activities to reduce waste in their community. At home, they reuse shopping bags and try to use less plastic packaging. Their routine shows how simple habits can protect nature and save energy every day.

1. What do Planet Protectors do first in the morning?

- A. Join eco-clubs after school
- B. Check lights and fans in classrooms
- C. Reuse shopping bags at home

2. What do they do during break time?

- A. Sleep in the classroom
- B. Sort waste into recycling bins

- B. No, they don't
- C. Only at home

4. Which sentence is NOT true?

- A. They recycle plastic and paper
- B. They waste a lot of water at school
- C. They join eco-clubs after school

5. What can we learn from Planet Protectors' routine?

- A. Only schools can protect the environment
- B. Small daily habits help protect the environment
- C. Recycling is not important

Read the text and choose the correct answer. Choose A, B, or C.

How Planet Protectors Help the Earth

Planet Protectors help the Earth in many different ways. At school, they always try to protect the environment by saving energy and reducing waste. For example, they turn off lights when they leave the classroom and use less paper. They also recycle plastic bottles and reuse old materials for art projects. On weekends, they sometimes clean parks and streets with their friends. Do you use reusable bags when you shop? Their teacher reminds them to follow safety rules by wearing gloves and moving carefully during clean-up activities. Because of their actions, the school becomes a cleaner and greener place every day.

1. How do Planet Protectors save energy at school?

- A. By turning off lights when leaving the classroom
- B. By keeping lights on all day
- C. By using more electricity

2. What do they reuse for art projects?

- A. Old materials
- B. New books
- C. Electronic devices

3. Do Planet Protectors clean parks on weekends?

- A. Yes, they sometimes do
- B. No, they never do
- C. Only during exams

4. Which sentence is NOT true about Planet Protectors?

- A. They recycle plastic bottles
- B. They wear gloves during clean-up
- C. They throw rubbish in the street

5. What is the result of their actions?

- A. The school becomes cleaner and greener
- B. The school becomes more expensive
- C. The school becomes noisier

Read the text carefully and choose the correct answer (A, B, or C).

A Camping Trip by the Lake

Last weekend, Mia and her family went on a camping trip by the lake. They set up their camping tent by the water and placed their food box on a wooden table.

Mia said there was not too much time before sunset, so they prepared their campfire quickly. Her brother said they can roast marshmallows later.

After lunch, they walked on the hiking trail by the lake. Mia said there was less noise than in the city, so she felt calm.

In the evening, they sat by the fire and talked about their day. Mia said this is a place she can visit again.

1. Where did Mia and her family set up their tent?

- A. by the lake B. on a mountain C. in the city

2. What did they place on the wooden table?

- A. food box B. camping tent C. backpack

3. Why did they prepare the campfire quickly?

- A. because there was too much time
B. because there was not too much time before sunset
C. because they were tired

4. What does "less noise" mean in the sentence?

- A. more sound
B. smaller amount of sound
C. no sound at all

5. What does Mia mean when she says she "can visit again"?

- A. She is forced to return
B. She is unable to return
C. She thinks it is possible and she wants to return

A Different Weekend

Last Friday, Adam and his friends planned a camping trip by a lake near a giant hill. They packed their sleeping bags, food, and a small first-aid kit. When they arrived, the boys stopped near the water to rest. Adam said there was less noise than in the city, and everyone felt relaxed. They did not have too much luggage, so they quickly set up the campfire area.

Later, the friends went hiking on a forest path and tried to find different birds. One boy suddenly jumped over a small rock and everyone laughed loudly. At night, they sat by the fire. Some boys enjoyed reading, while others talked about playing computer games and watching movies at home. Adam said they can come again next month because the trip was exciting.

1. Where did Adam and his friends go?

- A. on a camping trip by a lake
- B. to a movie theater
- C. to a shopping mall

2. Why did they set up the campfire area quickly?

- A. because it started raining
- B. because they had less time
- C. because they did not have too much luggage

3. What did the boys do on the forest path?

- B. watched movies together
- C. played computer games

4. Which is NOT true about the trip?

- A. The friends laughed loudly.
- B. The boys stayed in a hotel.
- C. Some boys enjoyed reading.

5. Why does Adam want to come again next month?

- A. Because he lost his bag
- B. Because the trip was exciting and enjoyable
- C. Because he disliked the forest

A Rainy Day with Friends

Last weekend, Sara and her friends went camping near a forest. In the morning, the weather was sunny, so the children went hiking on a small path by the trees.

After lunch, they went swimming in a lake. Sara's little brother jumped into the water first, and everyone laughed because the water was very cold.

Later, the rain started, so the friends stayed inside the camping tent. Some children enjoyed reading, while others liked painting pictures of the forest. Two boys talked about playing computer games and watching movies at home.

Before going to sleep, Sara said they can visit the place again because every activity was fun and different.

1. Where did Sara and her friends go last weekend?

- A. to a shopping center
- B. camping near a forest
- C. to a sports club

2. What did the children do after lunch?

- A. went swimming in the lake
- B. watched movies at home
- C. played computer games

3. Why did everyone laugh?

- A. because someone told a joke
- B. because Sara fell down
- C. because the water was very cold

4. Which is NOT true about the trip?

- A. Some children enjoyed reading.
- B. The friends stayed in a hotel.
- C. The children went hiking.

5. Why does Sara want to visit the place again?

- A. Because she lost her bag there
- B. Because the trip was fun and different
- C. Because she did not like the rain
