Mock Exam Practice for Grade 3 2024-2025**Part 3 – Read the texts and answer the questions:****Text 1:**

Insects are small animals with six legs and two antennae. They live all around us. In gardens, forests, and even inside houses. Some insects, like bees and butterflies, help flowers grow. Others, like ants and beetles, clean up dead plants and animals. Insects are important for nature and help keep the environment healthy.

Text 2:

We must take care of the environment to keep the Earth clean and healthy. We can do this by recycling, saving water, and using less plastic. Planting trees and keeping places clean help animals and people live better. Throwing litter in the bin stops pollution. When we care for the environment, we make the world a better place for everyone.
