Curriculum Alignment

The Cycle 2 English Language assessments are fully aligned with the curriculum, which is structured around the domains of Reading and Viewing and Writing and Representing. Grammar, Functional Language, and Vocabulary are embedded throughout the assessments to support progression across both domains and to reflect real-world communication. The assessments are mapped to CEFR proficiency levels, mirroring the curriculum's emphasis on inclusion, differentiation, and learner autonomy within a structured continuum of learning. In line with the curriculum, assessment tasks also integrate global competencies, providing opportunities for students to demonstrate critical and creative thinking, well-being, ethical and intercultural understanding, as well as digital and financial literacy and sustainability awareness. This alignment ensures that assessments not only measure literacy skills but also reinforce the broader aims of the curriculum.
