<u>tallest</u>	<u>read</u>	<u>saw</u>	<u>boring</u>
<u>old</u>	<u>study</u>	<u>fun</u>	<u>yesterday</u>
<u>skull</u>	<u>touched</u>	<u>shortest</u>	<u>visited</u>

1. When did you visit a museum?

Ans- I visited the museum yesterday ,as our school arranged a fun trip for us to go visit the museum and learn about the tallest and shortest dinosaurs.

2. What did you see at the museum?

Ans- I saw huge dinosaur bones everywhere at the museum, they looked so scary.

Q3- What were you reading at the museum?

Ans- I was reading the names of different dinosaurs that were written on labels. These labels were placed alongside the dinosaur bones and fossils.

Q4- What scared you the most at the museum?

Ans- The skull of a T-Rex dinosaur scared me the most at the museum. It almost looked like it would come to life any second.

Q5- What was the most interesting thing that you saw at the museum?

Ans- The most interesting thing that I found at the museum were the old teeth of dinosaurs which still looked very sharp. I almost touched one of the teeth.

Q6- Was this trip fun or was it boring?

Ans- This trip was so much, it was not boring because I love to study and learn more about all kinds of dinosaurs.

Q7- With whom did you visit the museum?

Ans- i visited the museum with all my class fellows and my teacher. We took lots of pictures at the museum.

Q8- Would you like to visit the museum again?

Ans- Yes, I would definitely love to visit the museum again and spend a lot more time learning about the times during which all different dinosaurs lived and died.

Q9- How many different types of dinosaurs did you learn about while you were at the museum?

Ans- There were more than thirty different species of dinosaurs bones at the museum. Some were herbivore while others were carnivores. Some were tall while others were too short and tiny.

Q10- Were there any flying dinosaurs that you learnt about while you were at the museum?

Ans- Yes, while I was at the museum, I learnt about two short flying dinosaurs and one really big flying dinosaur.
