Part 2

Read the text. Complete the sentence by choosing the correct words from the text bank. There are two words you do not need. There is one example.

In our community, people go to many different places every day. People go to the hospital when they are sick to get help from doctors and nurses. Children go to the library after school to read interesting books and learn new stories. We go to the mosque to pray and thank Allah for His blessings.

Families visit the museum on weekends to learn about old things and history. Firefighters work at the fire station. Some people go to the park to play and relax in the fresh air. Others go to the supermarket to buy fruit and vegetables that they need. All these places make our community clean, happy, and safe for everyone.
