Reading

A. Look at the text and choose the main idea.

- (a) Families like computers
- (b) Technology helps people stay connected
- (c) Passwords are important

Many families live in different cities or countries. They use phones, tablets, and computers to stay connected.

Some people send messages every day. Others make video calls to talk face-to-face. Grandparents write emails to share news.

Before using a computer, people log in with a password. At the end of a call, they hang up after saying goodbye.

Families also keep in touch with relatives far away. Friends catch up with each other online after school. Technology helps us stay close, even when we are far apart.

B. Read the text and answer the questions.

1. What do people use to stay connected?
They use phones, tablets and computers.
2. What do people send every day?
People send messages and make video calls.
3. What do people do before using a computer?
They log in with a password before using a computer.
4. What do they do at the end of a call?
At the end of the call, they hang up.
5. How does technology help people who live far away?
Technology helps people stay close
