My Town

I live in a small town. There is a school, a park, a supermarket, and a café. I usually go to the park with my friends after school. I sometimes buy snacks from the supermarket. I like my town because it is quiet and safe. The people are friendly, and everything is close to my home, so it is easy to walk everywhere.

A Day in the Park

In this picture I can see a big park. There are many trees, grass, and a small lake. Some people are walking and some are playing. Children are running and having fun. People sit on benches and relax. This place is important for me and my family because we go there every weekend to walk and spend time together.
