**I. Read the following passage then answer the questions below:**

I am professor Yasser. I study insects because I want to stop insects from eating the plants we grow for food. When the work is going well, I am the happiest man in the world. When things go wrong in the laboratory, though, it is terrible and I can be anxious and weepy. Solving scientific problems is the most important thing, so I worry a lot.

**Write the correct answer:**

- 1- Professor Yasser studies.....
- 2- When the work is going well, I am the ..... man in the world.
- 3- ..... is the most important thing.  
a. Playing                      b. Solving problems                      c. Weepy
