Read the passage. Then choose the best answer.

On Friday morning, Youssef and his sister Mariam went hiking with their family in Jais Mountain. Before they left the campsite, their father checked their water and snacks so they would be ready for the hike. He told the children to stay close to the family.

Later, the family stopped near some rocks to rest. Mariam took off her backpack and put it beside a tree. Then she went with her family to look at colourful flowers nearby.

When it was time to leave, Mariam could not find her backpack. She felt worried because she needed the water bottle inside it during the hike. Yousef told her to stay calm and think about the last place where she had seen it.

The family returned to the tree and looked carefully. Soon, Mariam saw the backpack behind a large rock. She was very happy to find it.

They continued their hiking and stayed closer together. Mariam learned that staying calm can help to solve problems. She also learned to keep her things in one safe place.
