Grade 5 English Quiz – The UAE | Wildlife Park

Part B: Reading (15 points)

Read the text and answer the questions. Then look at the Wildlife Park scene.

On Saturday, our class visits a wildlife park near the sand dunes. Ms. Hana tells us to follow the path so we can see the animals safely. First we spot a giraffe, the tallest animal in the park. It bends its long neck to nibble leaves. Across the path, a bright pink flamingo stands on one leg like a light feather. We whisper when we pass the tiger, because it is strong and fast. Near a pool, an elephant sprays water on its back. It looks heavy but gentle. I laugh when a rabbit jumps from a bush and begins to run beside us. A bee flies over the warm sand. By the end of the walk, I feel tired but happy; the park is a safe place to learn how animals move and live.
