The Adventure in the Forest

One day, I went to a beautiful forest with my two friends. The weather was cool and cloudy. We had a map, some water and a flashlight. We were excited because we wanted to explore the forest.

While we were walking along a narrow path, we were looking at the tall trees and beautiful flowers. We were talking and laughing together.

Suddenly, we heard a strange noise behind us. We stopped and looked around. Then, we saw that the path was blocked by a large fallen tree. We were scared because we did not know which way to go.

Then, we looked at the map and tried to find another path. We worked together and followed a small path near the river. After that, we saw some footprints on the ground and followed

them carefully.

In the end, we found the way back to the main path. We were safe! We returned home tired but happy. It was an exciting adventure, and I learned that working together can help us solve problems.

★ Remember:

ONE DAY → Start

WHILE → Background

SUDDENLY → Problem

THEN → Action

🔑 Grammar:

While + Past Continuous + Past Simple

➡ While we were walking, we heard a strange noise.

SAMPLE 1: AN ADVENTURE IN THE FOREST

One day, I was in a forest with my friends. The weather was cool and cloudy. We had a map, some water and a flashlight.

While we were walking along a narrow path, we were talking and looking at the trees.

Suddenly, we heard a strange noise behind us. We stopped and looked around. We were scared because we did not know where the noise came from.

Then, we looked at the map and found another

path. Soon, we saw a small river. We crossed it carefully and continued walking.

In the end, we found the main path and returned home safely. We were tired but happy. It was an exciting adventure!

SAMPLE 2: A KAYAKING ADVENTURE

One day, I went kayaking with my brother. The weather was sunny and warm. We wore our life jackets and got into the kayak.

While we were kayaking along the river, we were enjoying the beautiful view.

Suddenly, we hit a rock and fell into the water. I was frightened, but my brother stayed calm.

Then, we held the kayak and moved away from the rocks. After that, we swam to a safe place.

In the end, we were safe. We got back into the kayak and continued our adventure. I felt relieved and proud.

SAMPLE 3: LOST IN THE DESERT
