Mount Kilimanjaro

Hi, I'm Hassan. I am visiting Africa. Tomorrow I will climb the highest mountain in Africa with my father. It's called Mount Kilimanjaro. My brother climbed it by himself last year. He won't come with us.

We need to put on our comfortable boots. It will be a long walk. I will also take my warm jacket because it will be very cold at the top of the mountain. We won't take a tent because we are not sleeping on the mountain.

Climbing the mountain will make us hungry. Dad will carry meat and tomato sandwiches for me and cheese sandwiches for himself. He'll take some chocolate too.

I have a new backpack. It is blue and white. I will put a bottle of water and a hat in my backpack because it'll be hot when we start walking.

When we get to the top of the mountain, I will take some photos and we'll enjoy the view.

Part 1. Read about Hassan's visit to Africa. For questions 1-5, choose the correct answer A, B or C.

1 - 5

10.00 Marks

1. Hassan will climb Mount Kilimanjaro _____.

a. by himself

b. with his brother

c. with his father

c. hot but short

Life in the Amazon Rainforest

The Amazon Rainforest covers a bigger area than any other rainforest in the world. Rainforests are very wet and hot.

Many of the trees there have been growing for many years. Some of the trees are over a hundred years old.

There are some very strange creatures in the rainforest. Insects live in the trees and plants. Some of them look like the leaves.

The Sumatran rabbit is the only rabbit that lives in the rainforest. The Sumatran rabbit is brown with black stripes. It uses its long ears to listen to the noises in the rainforest. Then it can hide from other animals.

The Jaguar is a big, beautiful cat that lives in the rainforest. At night, it uses its big eyes to see and catch small animals. In the daytime, it likes sleeping in a tree.

There are many other animals in the rainforest. They are all part of the food chain.

Part 2. Read the text about the Amazon Rainforest. For correct answer A, B or C.

1 - 5
