My Free Time

Everyone has free time, but people spend it in different ways. Some students enjoy reading books because they can learn new words and discover interesting stories. Others like playing football, riding bicycles, or going for a walk. These activities help them stay active and healthy.

Many students also enjoy spending time with their families. They may cook together, play board games, watch a movie, or visit a park. Some students prefer creative activities such as drawing, taking photos, or writing stories.

Technology is another popular way to spend free time. Students can play games, watch videos, or learn new skills online. However, spending too much time on a screen is not healthy. It is better to have a balance between screen time, exercise, hobbies, and time with family and friends.

Free time is important because it helps us relax and enjoy ourselves. The best way to spend free time is to choose activities that make us happy, healthy, and ready to learn.

Hobbies in the Past

Life was very different in the past, and so were people's hobbies. Before the invention of computers, mobile phones and the internet, people enjoyed simpler activities. Children often played outside with their friends. They rode bicycles, played traditional games, and spent more time in nature.

Reading books was also a popular hobby. Many people visited libraries and chose from a wide variety of books. Some people collected things such as stamps, coins or postcards. Others enjoyed writing letters to their friends and family, especially when they lived in different cities or countries.

Families often spent their free time together. They might cook traditional food, go on trips, or tell stories about the past. Crafts such as painting, knitting and making models were also common hobbies.

Although hobbies have changed over time, they still help people relax, learn new skills and enjoy life. Understanding old hobbies helps us appreciate the simple joys of the past.

What Do You Do in the Summer?

Summer is a special time of the year. The weather is usually hot and sunny, and students do not go to school. Many people enjoy summer because they have more free time to relax and do the activities they like.

During the summer, some students travel with their families. They may visit other cities in the UAE, go to the beach, or travel to other countries. Traveling is a great way to explore new places, learn about different cultures and make happy memories.

Other students prefer to stay at home and enjoy different activities. They may spend time with their families, play sports, swim, or read interesting books. Some students join summer camps where they can learn new skills, such as cooking, photography or sports.

Many students also like to try new hobbies in the summer. They might learn a new language, practice drawing, or take online classes. Summer is a good time to set goals and try new things.

No matter how you spend your summer, it is important to have fun, relax and do activities that make you happy and healthy.

A Day at the Zoo

Zoos are exciting places where we can see many different animals from around the world. When you visit a zoo, it is important to know how to find your way around so that you can enjoy your visit and see all the animals.

Most zoos have a map at the entrance. The map shows the different areas, animal habitats, and facilities such as toilets, restaurants and resting areas. You can also find signs and arrows along the paths to help you. These signs usually show the direction to popular places like the monkey area, the bird aviary, the reptile house and the aquarium.

Many zoos are divided into sections, such as African Animals, Asian Animals and Rainforest Animals. Each section has information boards with interesting facts about the animals. You can follow the paths or use the zoo map to plan your route. Some zoos even have a mobile app that gives you a digital map and shows the location of animals and activities.

By using the map, signs and information boards, you can easily find your way around the zoo, see your favourite animals and have a safe and enjoyable day with family and friends.
