Comprehension Reading Passage

My Life and Daily Routines

Hello! My name is Nick. I'm a student in Canada. Every day, I get up at 6:00 a.m., eat breakfast, and go to school. I don't go to school on Friday. After school, I do my homework and talk to my friends. Sometimes we watch TV or play computer games.

I have a big family. I have two brothers, a sister, an uncle, an aunt, and three cousins. My family is very important to me. We all live in a house with a big garden. We have four bedrooms, a kitchen, a living room, and a swimming pool. My house is great! We have many windows to look out at the garden.

On special occasions, like my birthday or a holiday, my family and I give gifts to each other. I love giving gifts because it makes people happy. We also like to visit new countries. My friend, Rashid, lives in the UAE. When I visit him, we say hello by shaking hands. Some people bow when they meet others.

I am learning new languages. I can say hello and goodbye in English and Arabic. It's a lot of fun to meet people from different countries and learn how they greet each other.
