Adventure Weekend in the Mountains

Last weekend, my cousins and I went on an exciting outdoor adventure in the north of the UAE. We stayed in a small camp near a tall mountain, and early in the morning we decided to try different activities. My sister Laila is hiking up the mountain trail, while my cousin Omar is going mountain biking with my father. I wanted to do something more exciting, so I chose snowboarding, even though it is harder than hiking. It was my first time, but the instructors were very friendly.

Later in the afternoon, we tried sailing on a small lake. The water was calm, and the weather was much cooler than in the city. My brother said sailing was easier than mountain biking, but I thought it was more enjoyable. Before sunset, we watched a group of people skydiving from the air. It looked amazing and a little scary, but I want to try it one day.

At the end of the day, we took pictures of the east and west sides of the mountains. It was one of the best outdoor adventures I have ever had, and I hope we can go again next month.

Dear Sara,

I hope you are doing well. I am writing this email to tell you how excited I am that you are going to arrive in the UAE next week. My family and I are happy to have you as our guest, and we want to give you a warm welcome to our country.

During your holiday, we are going to visit some special places together. First, we are going to walk around the old city area. It is one of my favourite places, and I hope it will become yours too. After that, we are going to visit a museum that shows the history of our special days and celebrations.

Please be careful with the weather because it might be hotter than your country. Bring a hat and comfortable shoes. My sister is going to join us, and she said you can borrow hers if you forget yours.

There is also a school competition during your visit, and I am going to join it. I hope I will do well, and I will tell you all about it when you arrive.
