Read the article carefully:

Young People's Hobbies Around the World

We asked 1,500 young people from different countries about their hobbies and how they spend their free time. The results were very interesting!

Outdoor Activities : About 70% of young people enjoy outdoor activities. The most popular outdoor hobby is cycling. Many young people ride their bikes to school and in their free time. 45% of them said they like going running in parks or near their homes. Some young people prefer playing basketball or volleyball with their friends. About 25% enjoy hiking in mountains or forests. A few young people, around 15%, like fishing or camping at weekends.

Indoor Activities : When the weather is bad, young people stay at home. About 65% spend time on the internet, watching videos or playing online games. Reading is also popular—40% of young people read books, magazines, or comics. Drawing and painting are creative activities that 30% of young people enjoy. Some young people, about 20%, like cooking or baking cakes and cookies with

their families. A small number, around 10%, enjoy collecting things like stamps or coins.

Social Activities : Young people also like spending time with friends and family. 55% said they meet friends at weekends and go to the cinema or shopping. 35% enjoy having parties or picnics with their families. Only 5% said they don't have much free time because they are busy with homework and studying.

Answer the following questions based on the article:
