Dear Maya,

Greetings from beautiful Queenstown, New Zealand! It's so amazing here. I've already visited Lake Wakatipu; the water is the bluest I've ever seen!

I'm really excited about the next few days. I am going to try bungy jumping—I hope I don't get too scared! After that, I am going to rent a small car and drive north to Milford Sound. I want to see the fjords and the tall mountains there. I think I will take hundreds of photos! I also can't wait to go hiking on the trails. When I get back, I will show you all the pictures.

Hope you're doing well!

Lots of love,

Alana

I really like to relax and spend time outside in my free time. After school, I usually read a book or watch videos about animals. I often go for a walk with my dog, Max, because we must get some fresh air.

Next weekend, I would like to go to the beach. I want to meet my cousins there. We will take a big picnic lunch with sandwiches and cold juice. We will also bring a ball to play games on the sand.

For me, the weekend will be fun because I can swim in the sea and spend time with my family. This will make me feel very happy and rested.

## GRADE 7 (General)

If our plans change because of bad weather, we will stay home.  
We will have to watch a movie instead, or maybe we can bake a  
cake. Even if we don't go to the beach, I will still have fun because  
I am with my family.
