Lesson 6: Things we use every day

- What do you think is the most useful invention?
- Do you know any famous inventors?

1. What do you think is the most useful invention?

I think the most useful invention is the mobile phone. We use it every day to call people, send messages, take photos, and use the internet. It helps us stay connected and find information quickly.

2. Do you know any famous inventors?

Yes, I know Thomas Edison. He invented the electric light bulb. Another famous inventor is Alexander Graham Bell, who invented the telephone.

Key Structure

To + infinitive

*The light bulb helps us
to see at night.*

Vocabulary

*inventor, invention,
sunset, light bulb,
drawing, to explore*

Meaning of vocabulary:

- **Inventor:** A person who creates something new that has never been made before.
- **Invention:** A new tool, device, or process that someone creates.
- **Sunset:** The time in the evening when the sun goes down and it starts to get dark.
- **Light Bulb:** A glass device that gives light when electricity passes through it.
- **Drawing:** A picture made with a pencil, pen, or crayon.
- **To explore:** To travel or look around to learn about something new or unknown

Activity 1 Listening Track 9

Listen to the radio show.

What do they talk about?

They talk about useful inventions and famous inventors, like Thomas Edison or Alexander Graham Bell

Activity 2 Listening

Listen again and decide if the statements are True or False.

- 1 Leonardo da Vinci invented the car.
- 2 The car helps you to explore.
- 3 People can't live without candles.
- 4 The lightbulb helps us to do things after sunset.

False: It was Karl Benz.

True

False: People use candles, but they can live without them.

True

LANGUAGE TIP

We can use *to* + infinitive to give a reason.

Why is a car useful?

It helps you to explore.

Activity 3 Practice

Match the sentences halves.

- | | | |
|---------------------------------|----------|---------------------------|
| 1 A car helps you | B | a to stop eggs moving. |
| 2 Eva designed a box | A | b to travel and explore. |
| 3 I went to the museum | D | c to keep warm. |
| 4 The light bulb helps us | E | d to learn about history. |
| 5 In the past, people used fire | C | e to do everything. |

SPEAKING TIP

When we want to give our opinion, we can say:

- For me....
- I think....
- In my opinion....

For me

Use it when you want to make it personal.

You're talking about what something means or feels like to you.

Examples:

- For me, the bicycle is too difficult to ride.
- For me, a phone is the most useful invention.

I think

This is the most common and informal way to give your opinion.

It shows what you believe is true or important.

Examples:

- I think the bag looks modern and useful.
- I think the car is too small for a family

In my opinion

• This is more formal. You can use it in writing or polite conversations.

It shows you're sharing a viewpoint, not a fact.

Examples:

- In my opinion, the light bulb is the greatest invention.
- In my opinion, that hat is not very practical

Activity 4 Speaking

Talk about inventions with a partner. Discuss the questions below.

- 1 Why are the car and the light bulb important?
- 2 What other inventions do you think are important?
- 3 What do you think is the best invention? Why?
- 4 Are there any inventions that you don't like?

The light bulb is an important invention because it helped us to see in the dark.

In my opinion, the internet is the most important invention.

What about the aeroplane? It helps us to travel.

For me, electricity is the most important invention because it helps us to power all modern devices.

I think, the mobile phone is also important because it helps us to stay connected with others.

In my opinion, the internet is very important because it helps us to communicate and learn new things quickly.
