Lesson 9: Product design

- Do you think design is important?
- What would you like to design?

1. Do you think design is important?

Yes, I think design is very important because a good design makes products easier to use, more attractive, and more effective.

2. What would you like to design?

I would like to design a smart backpack that can charge devices using solar energy, track its location, and organize items better.

Key Structure
