Lesson 6: Language focus

- Which animals are important in your culture?
- Do you know any interesting facts about animals?

1. Which animals are important in your culture?

Camels are important in my culture. They helped people travel across the desert and were used for food, milk, and clothing.

2. Do you know any interesting facts about animals?

Yes! Camels can survive for a long time without water, and they can carry heavy loads across the desert. Also, they have thick eyelashes to protect their eyes from sand.

Activity 1 Reading

Read about Simon's trip to the desert.

Which animal did he not see?

Falcon

Animals of the UAE

I had an amazing trip to the desert yesterday. I went on a tour because I wanted to see all of the important animals of the UAE. Sadly, I didn't see all of the animals on my list. Falcons are the fastest animals on earth and they are a symbol of the UAE. I'm sad that I didn't see one.

We saw oryx and camels in the desert. There are many oryx living in the desert. We saw them eating plants and it was really interesting. We also saw lots of camels, too. The guide said that camels are strong animals. If a camel is hungry for a long time, it gets energy from its hump.

It was a great trip but I'm sad because I didn't take my camera. Our guide took photos, but I didn't see them. I think I should go back again! I want to go back and take lots of photos!

-Simon

Activity 3 Practice

Complete the sentences with *did not* and the correct verb form.

- 1 Simon Didn't see a falcon. (see)
- 2 Simon Didn't take his camera on the trip. (take)
- 3 The guide Didn't forget his camera. (forget)

Past simple: negatives

We use *did not* or *didn't*. The main verb doesn't change.

Yesterday we **didn't study** history.

Past simple: questions

With questions we use a *wh-* question word and *did*.

Did you **go** to Dubai yesterday?

Yes, we **went** to Dubai. / No, we **didn't go** to Dubai.

Past Simple: Negatives:

To make a negative sentence in the past, we use:

Subject + **did not** or **didn't** + **base verb** (no -ed or past form).

Ex. She **did not go** to the park.

They **didn't watch** TV.

Past Simple: Questions:

To ask a question in the past, we use:

Did + **subject** + **base verb**

REMEMBER:

- Don't use past tense verbs after *did/didn't*.
- Always use the base form of the verb

Ex. **Did you** see the movie?

Yes, I **did**.

No, I **didn't**.

You can also add a *wh-question word* (what, where, when, why, who,) before "*did*".

Wh-word + **did** + **subject** + **base verb**?
