**Read the text, then answer the questions.**

Hello, my name is Omar. I am in Grade 8. Every morning I say, "Good morning" to my teachers because I like being polite. At 8:00 we have Maths, and later we study Science and History. After break, we sometimes have PE. I enjoy playing football, and I am the goalkeeper of my team. Last week I won a prize in a race, so I felt very happy.

After school, I go to the painting club. My pen pal from the UK enjoys playing ping pong, but I prefer painting and computer games. In the evening, I usually read books or cook Chinese food with my family.
