### Feelings and Emotions - The Role of Confidence in Success

Write an essay about how confidence helps people succeed, focusing on the following points:

1. How feeling confident allows individuals to make better decisions and seize opportunities.
2. The importance of staying calm and patient when facing challenges.
3. Why being proud of achievements motivates people to keep improving.

#### Example

Confidence is key to success. When people feel confident, they make bold decisions and grab opportunities without fear. For example, a talented person who believes in their skills can compete for big roles or projects. Staying calm and patient during tough times also helps them overcome obstacles.

Feeling proud of their achievements motivates them to do even better. It reminds them of how far they've come and encourages them to aim higher. By balancing confidence with patience, people inspire others and create a positive impact. In the UAE, these qualities are celebrated as essential for personal and professional growth.

### **People - Qualities That Make Someone Successful**

Write an essay about the qualities that define successful people, focusing on the following points:

1. How appearance and behavior reflect inner strength and determination.
2. The role of support from family, friends, or mentors in achieving goals.
3. Why competing with oneself rather than others leads to true success.

#### **Example:**

Successful people often have qualities like determination and kindness, which show in their appearance and actions. Their confident behavior inspires trust and respect. Support from loved ones also plays a big role—family and mentors encourage them during tough times.

Instead of competing with others, successful people focus on improving themselves. They set personal goals and work hard to achieve them. Talented individuals use their skills wisely, knowing that real success comes from within. In the UAE,

these values help build strong communities where everyone has the chance to grow and thrive together.

### **Technology - Robots Making Life Easier**

Write an essay about how robots are changing daily life, focusing on the following points:

1. How robots provide convenient solutions at home and work.
2. The value of robots in completing tasks quickly and accurately.
3. Why exhibitions showcasing new technologies excite people about the future.

#### **Example:**

Robots are making life easier in many ways. At home, they clean floors or assist with chores, saving time for families. In workplaces, robots handle repetitive tasks efficiently, allowing humans to focus on creative work.

These machines are valuable because they complete jobs quickly and without errors. For instance, checkout robots in stores speed up shopping experiences. Exhibitions featuring new technologies showcase how far we've come and spark excitement about what's next.

In the UAE, people appreciate how technology improves convenience and productivity. With robots around, life becomes simpler and more enjoyable for everyone.

## **Feelings and Emotions - Dealing with Annoyance Calmly**

Write an essay about managing annoyance and staying calm, focusing on the following points:

1. How patience helps resolve problems without frustration.
2. The benefits of feeling confident even when things go wrong.
3. Why being annoyed should not stop someone from supporting others.

### **Example:**

Life can sometimes be annoying, but staying calm makes all the difference. Patience helps people solve problems without getting frustrated. For example, if a product breaks, calmly finding a solution saves time and energy.

Confidence keeps people going, even when things don't work out. Feeling proud of handling tough situations builds resilience. Being annoyed shouldn't stop someone from supporting others—kindness matters most during difficult times.

In the UAE, people value emotional balance. By staying patient and confident, they create harmony in their homes, workplaces, and communities. These traits lead to happier, more fulfilling lives.

### **Prompt 5: People - Possessions That Reflect Personality**

Write an essay about how possessions reveal a person's character, focusing on the following points:

1. How items like headphones or products show preferences and lifestyle choices.
2. The connection between valuable possessions and cherished memories.
3. Why sharing possessions strengthens relationships and builds trust.

#### **Example:**

Our possessions say a lot about us. Headphones, for instance, might show someone loves music or values privacy. Products we use daily reflect our preferences and lifestyle choices.

Some possessions are valuable because they hold special memories—a gift from a friend or a family heirloom. These items remind us of happy moments and important relationships. Sharing possessions, like lending a book or tool, strengthens bonds and builds trust.

In the UAE, people take pride in their belongings while valuing generosity. By sharing what they own, they create stronger connections and contribute to a supportive community.

## **Technology - Convenient Checkout Systems**

Write an essay about how technology improves shopping experiences, focusing on the following points:

1. How self-checkout systems save time and reduce stress for shoppers.
2. The convenience of using headphones or apps while shopping.
3. Why exhibitions of new tech inspire people to embrace modern solutions.

### **Example:**

Technology has transformed shopping into a hassle-free experience. Self-checkout systems let customers pay quickly, avoiding long lines. This saves time and reduces stress, especially during busy days.

Using headphones or apps adds convenience too. Shoppers can listen to music or track discounts easily. Exhibitions showcasing new tech highlight innovations like smart carts or payment systems, exciting people about future possibilities.

In the UAE, people love adopting modern solutions that simplify life. With technology, shopping becomes faster, easier, and more enjoyable for everyone. These advancements reflect progress and improve daily routines.
