A Balanced Opinion Essay

Introduction

In the last few years, ... has been one of the topics people have become interested in. Yet, it is very argumentative. Some people think that it is positive and has many advantages, while others believe that it is negative and has some disadvantages. It has attracted a lot of media attention. As far as I am concerned, I think that I am **(for / against)** for the following reasons .

Arguments For your opinion (Advantages / Disadvantages)

To begin with, ... (The main idea + Explain it + Example).....
..... plus, ...
Moreover, ...

Arguments Against your opinion(Advantages / Disadvantages)

On the other hand , opponents argue that is **(positive / negative)** has some **(advantages / disadvantages)** and they have their own reasons as well.
First, ...(The main idea + Explain it + Example)
Besides, ... In addition, ...

Conclusion

As we have seen above, nothing is perfect. Everything can be dark or bright, positive or negative, it depends on the way we deal with it. In my opinion, I think that the **(advantages/disadvantages)** of outweigh the **(disadvantages / advantages).**

Advantages and disadvantages Essay

Introduction

In the last few years, ... has been one of the topics people have become interested in. Yet, it is very argumentative. Some people think that it is positive and has many advantages, while others believe that it is negative and has some disadvantages. It has attracted a lot of media attention. In this essay, I am going to shed light on both views, giving my own opinion.

Arguments *For* (Advantages)

On the one hand, the first team claims that is positive and has many advantages and they have their reasons. To begin with, ... (The main idea + Explain it + Example) plus, ... Moreover, ...

Arguments *Against* (Disadvantages)

On the other hand , opponents argue that is negative has some disadvantages and they have their own reasons as well. First, ... (The main idea + Explain it + Example) Besides, ... In addition, ...

Conclusion

As we have seen above, nothing is perfect. Everything can be dark or bright, positive or negative, it depends on the way we deal with it. In my opinion, I think that the (advantages/disadvantages) of outweigh the (disadvantages / advantages).

" For and Against " ideas

Being the only child in a family

For / Advantages	Against / Disadvantages
1- The only child in a family would have all the financial support from parents. If the child wants anything, parents would get him/her what he/she needs. 2- The only child in a family would get all love, interest and affection from parents. 3- The house would be clean, tidy and quiet as there would not be many children in the house who can make it a mess.	1- The only child in a family would feel lonely and bored as he/she would not have any brothers or sisters to play with, chat with, fight with etc. 2- The only child may suffer from some psychological problems and illnesses such as autism as he/she spends most of the time alone. 3- The only child in a family would need someone else to depend on and cannot do anything alone.

Living in the city

For / Advantages	Against / Disadvantages
1- You are near all governmental and public services and facilities like schools, universities, ministries, shopping malls, parks, ... etc. 2- It takes a little time to go to your work or school and to go back home as they are near. 3- You can make new friends as you can meet a lot of people when you go out or when you are at work. 4- It is easy to find a job as there are many companies, factories, malls , ...etc.	1- It is always crowded as a lot of people live in the city, the worst time is the rush hour when all people and students leave their work and schools. 2- It is very noisy and polluted as there are many cars, buses, factories, ...etc. that emit harmful gases . 3- The houses and flats in the city are smaller than in the village as a big number of people live in a limited piece of land.

The effect of modern technology on our lives

For / Advantages	Against / Disadvantages
1- Modern technology has made our lives easier than before. Now, we can do anything easily, for example if you want to travel from Bahrain to London, you need only a few hours, but in the past, it needed weeks or months. 2-It helps us to communicate with our relatives and friends anytime, anywhere. You can contact others in other countries easily, so it has made the world a small place . 3- It has made the world a small village as we know what is happening in the world around us the moment it happens. For example, if there is a match in England, we can watch it live here in Bahrain .	1- It makes us lazy as it helps us to do anything easily and many people have become more dependent on technology. 2- The nuclear bomb which destroyed big cities in Japan is the worst thing about modern technology. 3- Using smart phones, computer etc. has a bad effect on our health as it may affect our eyes, backs and hearing.

Having a part-time job while studying / as a student

For / Advantages	Against / Disadvantages
1- They can earn money and buy anything they need without asking their parents for money. Also, they can save some money for university.	1- Having a part-time job affects students' level and marks at school as they don't have enough time to study and revise their lessons; they have to go to school in the morning and work in the afternoon.
2- Having a part-time job helps them to depend on themselves at a young age and this will help them a lot and will give them experience in life and work.	2- They may miss their family and friends as they may not have time to spend with them.
3- Having a part-time job helps students to make new friends as they meet new people. Also, they learn how to deal with others.	3- It is very tiring as you need to go to school in the morning and work in the afternoon, so they don't have enough time to rest and relax.

Having a housemaid at home

For / Advantages	Against / Disadvantages
1- They help mothers in the housework such as washing, cleaning , cooking etc.	1- Some of them may steal valuable things from the house such as gold, jewels and money .
2- They look after children when their parents (fathers and mothers) are out or at work , so they don't have to find a babysitter , this way they can save money .	2- Some of them may hurt or hit children while parents are out .Also, some of them may kill children and escape .
3- They can help students with their homework and studies instead of having a private teacher . Also, some of them are good at English and they can help children learn English .	3- Most of them are not Muslims , so they may affect the children's behavior and speak with them about their religion . Also, they have customs and traditions which are different from our Islamic ones .

Smart phones /Mobile phones

For / Advantages	Against / Disadvantages
1- They can be used in emergency cases , for example , you can contact your family if you need help when you are out .	1- It is costly as you need to pay for the calls and the internet service. Also, the price of smart phones is really expensive.
2- You can use them to contact others inside and outside and outside your country anytime and anywhere.	2- If you use them for a long time, this may have a bad effect on your eyes and hearing.
3- You can use them to log on the internet and chat with others, do school projects, watch films and the news etc.	3- A lot of people use them while driving and this may cause serious accidents which may lead to death.

Fast food / Eating in restaurants.

For / Advantages	Against / Disadvantages
1- It is easy as you don't need to waste your time preparing and cooking meals at home. 2- It is tasty as they use spices in cooking meals . 3- You can have it anytime and anywhere if you don't have time to cook or if you are busy at work. Also when you are travelling, it is the best choice for you .	1- It is not healthy as they use a lot of oil, spices and fats and this can affect your health. 2- It is expensive especially if you have a big family. 3- The food may not be clean or fresh and you don't know who prepared it or how it was cooked.

E-Books / Electronic Books.

For / Advantages	Against / Disadvantages
1- They are easy to carry, you can carry them with you anywhere as they are not heavy; all you need is to take your laptop, tablet or mobile phone with you . 2- It is an interesting way of learning as you can watch videos, search for information etc. about the topics you are studying. 3- They help students to exchange information with their mates and teachers anytime and anywhere .	1- It may affect your eyes as you need to use them for long hours every day. 2- Some students may use them in a bad way during the lessons as they can surf the internet, chat with their friends, or play games. 3- The batteries don't last for a long time, so they need to charge them from time to time and this may delay the lessons.

Using smart devices/ phones / mobile phones at schools / in classrooms

For / Advantages	Against / Disadvantages
1- Students can call their parents if they face any problems, for example if the bus breaks down, they call their parents and tell them about that. 2- Some lessons need more explanation, so students can log on the internet to get what they need. 3- Students can use them to do school projects and exchange information with their mates and teachers .	1- Students may not concentrate on their lessons as they may use them during the lessons to play games, use social media websites etc. 2- Some students may misuse them as they may log on unsafe websites. 3- Some students may video what's happening at schools and share them without taking permission to do so.

Studying abroad

For / Advantages	Against / Disadvantages
1- It helps students to depend on themselves as they have to do everything by themselves. For example, they have to clean their room, wash, cook, ...etc. 2- In some countries, they have higher certificates than those we have. 3- It helps them to learn about other cultures, customs and traditions. Also, they can learn new languages if they study in a foreign country.	1- They will feel lonely as they have to live in another country away from family and friends. 2-It is costly as they have to pay for housing, food and drinks, transport and education. 3-You will have to live in another country with different culture, language, customs and traditions which are different from our Islamic ones. 4-They may meet bad friends who may affect their behavior badly.

Online Shopping

For / Advantages	Against / Disadvantages
1- It is an easy way of shopping, you don't need to go out and spend too much time, you can buy what you need while you are at home using your mobile phone or computer. 2- The prices of some items are cheaper online than those in our markets. 3- The quality of some items is much better than those in our markets. also, sometimes you can't find what you need, so you can order them online	1- It takes a long time to get your order. Sometimes, it takes more than three weeks. 2- Sometimes you receive your items broken or damaged and you can't replace them or refund your money. Also, you may receive a wrong item. 3- It is not safe as you have to pay using credit cards and hackers may steal your bank information and your money.

Noor, a friend of yours has written you a letter asking for advice about how to start a **new business** in Bahrain. Write a letter in which you tell him/her about the steps he/she has to follow.

Hi Noor,

I hope you're doing well! It's awesome to hear that you're thinking about starting a **new business** in Bahrain. I'd love to share some tips to help you get going in the right direction.

First, you should choose a good location for your **new business**. Also, you should choose an attractive name and logo as these attract customers.

Following that, you've got to do some market research to identify your target customers, competitors, and potential gaps in the market. Understanding the local market will be vital for success.

Next, you'll need to put a good business plan. A good business plan will be your roadmap. Plus, it is advisable to advertise your **new business** using social media platforms and make promotions from time to time.

After that, you'll have to register your **business** with the Ministry of Industry, Commerce, and Tourism in Bahrain. There are forms to fill out and fees to pay.

Finally, always keep in mind the quality of your products. Also, you'd better put reasonable prices to attract more customers.

In short, never forget that starting a business is a journey, and there may be challenges along the way. Just stay persistent and flexible. Learn from your experiences, and you'll do great! Wishing you the best of luck with your **new business** in Bahrain!

All the best,

Ahmed

To: The school principal

From: Noor Salah

Date: 18 March 2024

Subject: The Pros and Cons of Playing Video Games

Introduction:

Video gaming is a popular pastime among our students, with many engaging in this form of entertainment on a daily basis. The aim of this report is to examine the positive and negative aspects of playing video games. The information included herein was collected from different sources, including students and the internet.

Pros:

Video games have many benefits. Above all, they can enhance students' skills, including critical thinking and creativity. Gaming can also relieve stress. Some students said that it offers them an escape from daily pressures. Moreover, many video games encourage multiplayer modes. These encourage social interaction and teamwork.

Cons:

Excessive gaming can lead to many problems. To start with, it can cause health issues like eye strain and sleep disorders. Besides, some students reported that they are addicted to some games. According to research, addiction leads to social isolation as they spend less time with friends and family. Worst of all, some students believe that playing video games has affected their grades. A few stated that although their grades are good, they no longer enjoy going to school.

Conclusion:

In summary, playing video games among our students is a complex topic. Despite the numerous benefits, some students seem to be badly affected. The information gathered for this report reveals that they need urgent help. I believe that our school has to take immediate action to support them.
