Liam and His Camera

Answer Key

Name: _____ Class: _____

Liam is twelve years old and loves photography. When he was eight, his father gave him a small camera as a birthday gift. Since then, Liam has taken pictures of almost everything—trees, animals, clouds, and even insects. Last year, he joined a photography club at school, and his teacher encouraged him to enter a national competition. He didn't win, but the judges said he had great talent.

Last month, Liam traveled to Oman with his family. He said, "I took pictures of mountains, beaches, and traditional markets. People were very friendly and smiled when I photographed them." Liam hopes to visit Oman again next year because he wants to take photos of desert animals. His dream is to become a famous wildlife photographer when he grows up.

A. Circle T for true or F for false.
