My name is Ahmed. I am 10 years old, and I am from Bahrain. In class, we **should** listen to the teacher carefully and raise our hands before speaking. We **should** also help our classmates and finish our homework on time. We **shouldn't** shout or play during the lesson. We also **shouldn't** be rude to others in class.

My name is Jassim. I am 9 years old, and I am from Oman. In class, we **should** be kind and respectful to everyone. We **should** bring our books and pencils every day. We **should** also keep the classroom clean and quiet. We **shouldn't** use bad words or interrupt the teacher. We also **shouldn't** forget our school things at home.

My name is Khalid. I am 10 years old, and I am from Saudi Arabia. In class, we **should** study hard and work together with our friends. We **should** answer questions politely and follow the classroom rules. We **shouldn't** run inside the classroom or talk loudly. We also **shouldn't** laugh at other students when they make mistakes.

Write short paragraph using will and won't:

Include the following points:

- What will the world be like in the future?
- How will people travel in the future?
- What will children do in the future?
- What kind of food will people eat?
- Where will people live in the future?

نماذج للفقرة

In the future, life will be very different. I think people **will** travel in flying cars. Children **will** study online from home with robots. I think we **won't** use paper books anymore. We **will** use smart screens for everything. I also think people **will** live in tall buildings under the sea.

In the future, technology **will** change our lives. I think robots **will** help people at home and in schools. People **won't** drive buses because smart cars will drive by themselves. Children **will** play games in virtual reality rooms. I think we **will** eat healthy food and exercise every day. People may even visit space for holidays.

I think the future will be exciting. People **will** use clean energy to protect the Earth. We **won't** see dirty streets because robots will clean everything. Children **will** learn many things from computers and AI teachers. I think families **will** live in smart houses with talking machines. Life in the future **will** be easier and faster.
