School Project

My name is Nader and I live in Manama. Our class wanted to learn about pearl diving for a school project. So, in 2022 we went pearl diving in Muharraq. I wore a diving suit and had some lessons first. Then I dived slowly in the sea and looked for oysters. I swam quite well under the sea. I saw many oysters but I was only allowed to collect sixty of them. When I returned, I opened the oysters carefully. I found six pearls! In the afternoon I visited the Pearl Museum. I learned about fijiri - music men played when the pearl divers went to sea. At home, I watched a video about fijiri. The men played their drums and chanted loudly. Sometimes they played slowly and at other times fast. At the weekend I went pearl diving again. It was amazing!
