Reading

2: Read the text carefully. Then, answer the following questions.

Tigers live in Asia. Some live in hot forests and others in cold areas. They sleep and rest during the day and they hunt for food at night. The female tiger has three or four babies .The babies drink her milk to make them strong. The male tiger doesn't help the mother; the female teaches the babies everything. They play with their mother and learn how to fight and kill. They can grow to be 2.8 m and can weigh up to 272 kg. They sometimes live for twenty years. They are good swimmers and sometimes catch fish to eat as their food.

- Read the sentences carefully. Circle (T) if the sentence is true and (F) if the sentence is false.
