Write a short story.

Last summer, I joined a football competition with my friends, and we were all excited to play. While we were warming up, I jumped on a trampoline beside the field because I wanted to feel lighter and climb higher before the match started. During the game, I focused hard, kicked the ball into the net, and scored the winning goal. Everyone cheered, and we won first prize. It was an unforgettable day filled with fun and excitement.

All about chess

Chess is a board game played by two people. Each player starts with 16 pieces. These pieces include one king, one queen, two rooks, two knights, two bishops, and eight pawns. The goal of the game is to checkmate the opponent's king. This means placing the king in a position where it cannot escape capture. Chess is played on a square board with 64 squares. The board is divided into 8 rows and 8 columns.

A. Circle (T) for True and (F) for False.
