Good trip

Last week , I went to the Zoo with my family . We went by my father's car . It was a lovely sunny day . We saw a lot of animals and took nice photos . We fed some animals and had lunch in a café at the the zoo . We came back home at night . It was a nice trip and I was very happy .

Bad trip

Last week , I went to the zoo with my family by car . It was a lovely sunny day . We saw a lot of animals and took nice photos. We fed some animals and had lunch in a café at the zoo . While I was walking , I fell and broke my leg . My father took me the hospital . I stayed there three days with a broken leg . I was very sad .

A country

Bahrain is a very small country . It is located in in Asia . Manama is the capital . The weather is hot and dry most of the year . Bahrain is known for its products like pearls , pottery and aluminum . Some crops such as dates and vegetables are grown in Bahrain . Fish is also caught in Bahrain . A lot of tourists visit Bahrain every year . They come to see the sites and go shopping . The most famous sites (attractions) in Bahrain are Arad Fort , Ein - Adhari and City Centre

School event

Next week is the National Day . We will have an event at school . All the teachers and the students will be there .We will decorate the school with flags . We will sing songs and play games . The celebration will start in the morning till the end of the school day . It will be a lot of fun

Favourite sport

Football is my favourite sport . I play football everyday with my friends . We play in the club or at school . My favourite team is FCB and my favourite player is Messi . I'm a good player and I can play football very well . I'd rather play football because it fun

Olympic games

The first Olympic Games started in Greece . The Olympic Games take place every four years in a different country . There are the Winter and the Summer Olympic Games . Too many players take part in the Olympic . The winners got gold , silver and bronze medals . I like the Olympics a lot because it is fun

Life in the future

Life in the future will be different . there will flying cars . People will be able to travel to the moon by rockets and live there . There will be a robot doctors to help sick people . Children will learn at home from computers because there will be no schools . Robots will help women cook food and clean houses . People won't use snail mails . They will use mind reading to communicate . Life in the future will be a lot of fun
