1. Read the following text carefully.

Ashley Trent is now filming his new movie, *College Rap*. He began having acting lessons and acted his first movie at the age of ten.

At fourteen, he became famous for acting on TV. "That was fun!" Ashley says. "I was in a fast-food advert, but filming *College Rap* is much harder. I have to play baseball and sing in the film and I need to have dancing classes too. When we finish filming each day, I don't go out with friends. I usually sit in the bath for an hour because my legs and arms hurt! But I'm enjoying myself because the three adult actors who are the teachers in *College Rap* are really good. They've filmed all over the world. They've taught me to remember my script more quickly, too. I needed half a day to learn five pages before, but now I only need a quarter of an hour."

Being famous is great but Ashley isn't interested in buying lots of expensive things or going out. "But I'm asked to do really interesting work now and that's wonderful," he says. "I don't get excited when I watch myself in films. I know I'm getting better, but I still need to work harder!"

Now answer the following questions.

1. When did Ashley Trent start acting in the cinema?

2. What does Ashley often do after filming?

3. Why is Ashley happy while filming *College Rap*?

4. How long does it take Ashley to remember five pages now?

5. What does Ashley think when he sees himself in a film?
