Hi,

You will be happy to know that I have been accepted at the Central School this year. Life at the new school is interesting. At first, I thought it would be boring but the first day was very exciting.

The school is near my house, but I still don't go there by foot. My mum drives me to school every day by car except for Mondays when I take the bus.

There are many classes in the school. They have a computer room where the students can finish their projects but not do their homework or play games. It is fun there.

There is also a music room. I love music and I always play the flute. At the moment, the music teacher is teaching us how to play the violin, it's not easy. Next, we will play the xylophone, which I don't like because it's noisy.

I don't miss my old school because I still see my old friends. I can't wait to see my old teachers this summer because I miss them a lot.

Yours,

Andrew
