ملخص مراجعة الوقفة الأولى لمهارتى (القراءة والكتابة) فى مادة اللغة الإنجليزية للصف السادس الابتدائى الفصل الدراسى الثانى

طالباتنا العزيزات، بين يديكن مراجعة الوقفة الأولى لمهارتى القراءة والكتابة مع خالص تمنياتنا لكن بالتوفيق، يتكون الاختبار من قسمين.

القسم الأول : القراءة

سيتضمن سؤال قراءة وفيه تختار الطالبة الإجابة المناسبة لكل فراغ.
(يرجى التدريب على نمط سؤال القراءة باستخدام التدريب المرفق أدناه).

القسم الثانى : التعبير الكتابى

يتضمن سؤال تعبير (كتابة) فى أمثلة المراجعة المقدمة أدناه. يرجى التركيز على محتوى الدروس 1 و2 و4 و6 من الوحدة السابعة والثامنة ومحاولة حل الأسئلة المرفقة.

معلومات الصف السادس

Part 2: Reading (Cloze test)

Read the following text and answer the following questions:-

The Bicycle

A German, Baron Karl von Drais,(1).... a wooden two-wheeled machine to transport people in 1817. He called this invention the "running machine" because it didn't have(2).... . Bicycles move people from one place to another over short(3).... . Cars do the same, but only can move with a(4).... number of people inside. If a bicycle breaks down, it can be still(5).... as a simple way to travel. A bicycle can help a person move much(6).... than walking, and it does not need fuel to operate it. Towards the end of the nineteenth century, bicycles were(7).... more popular and the first modern bicycles were built in factories. So that, people could(8).... about more quickly. Today we(9).... bicycles everywhere in the world.

Choose the correct answer:

1- A German, Baron Karl von Drais,(1)..... a wooden machine.

A. copied B. invented C. destroyed D. duplicated

2- He called it that because it didn't have(2)....

A. wheels B. transport C. an escalator D. pedals

3- Bicycles move people over short(3).....

A. stairs B. distances C. directions D. cities

4- Cars only can move with a(4).... number of people.

A. small B. big C. large D. many

5- It can be still(5)..... as a simple way to travel.

A. walked B. made C. used D. played

6- A bicycle can help a person move much(6)..... than walking.

A. slow B. slower C. fast D. faster

Part 2: Reading (Cloze test)

Read the following text and answer the following questions:-

The Bicycle

A German, Baron Karl von Drais,(1).... a wooden two-wheeled machine to transport people in 1817. He called this invention the "running machine" because it didn't have(2).... . Part 3:writing

Question:

Write an article about an extreme sport of your choice. Write between **60-75 words.**

Follow the layout:

Para 1: Give a background of the extreme sport.(Sport's name, when it started and where you can practice it).

Para 2: Write about how to play the sport.

Para 3: Write about what you need to practice this sport.

Para 4: Ask readers for their opinion and ideas.

Skydiving

My favorite extreme sport is skydiving. It started many years ago and people practice it in special clubs and airports.

In this sport, you jump from a plane with a parachute. You fall through the air and then open the parachute safely.

You need a helmet and a parachute. Also you need to be brave and have strong heart to practice this sport.

Would you like to try skydiving one day?

Part 3:writing

Question:

Write an article about an extreme sport of your choice. Write between **60-75 words.**

Follow the layout:

Para 1: Give a background of the extreme sport.(Sport's name, when it started and where you can practice it).

Para 2: Write about how to play the sport.

Para 3: Write about what you need to practice this sport.

Para 4: Ask readers for their opinion and ideas.

Rock Climbing

Rock climbing is an exciting extreme sport. It started many years ago and people practice it in mountains or special climbing centers.

In this sport, you climb up a high wall using your hands and feet.

You need strong ropes, special shoes, and a helmet when you practice this sport.

Would you like to try rock climbing one day?. It's so exciting sport.

Part 3:writing

Question:

Write an article about an extreme sport of your choice. Write between **60-75 words.**

Follow the layout:

Para 1: Give a background of the extreme sport.(Sport's name, when it started and where you can practice it).

Para 2: Write about how to play the sport.

Para 3: Write about what you need to practice this sport.

Para 4: Ask readers for their opinion and ideas.

Snowboarding

Snowboarding is an exciting extreme sport that started in the 1960s. You can practice it on snowy mountains and at ski resorts.

To snowboard, you stand on a special board and slide down the snowy slopes. You can turn, stop, and go fast while keeping your balance.

To practice snowboarding safely, you need a snowboard, boots, warm clothes, gloves, goggles and a helmet.

Do you like extreme sports? Have you ever tried snowboarding, or would you like to try it one day?

Part 3:writing

Question:

Write an article about an extreme sport of your choice. Write between **60-75 words.**

Follow the layout:

Para 1: Give a background of the extreme sport.(Sport's name, when it started and where you can practice it).

Para 2: Write about how to play the sport.

Para 3: Write about what you need to practice this sport.

Para 4: Ask readers for their opinion and ideas.

Bungee jumping

Bungee jumping is an extreme sport that started many years ago. You can practice it at special jumping places, usually from bridges or tall platforms.

To do bungee jumping, you wear a special rope on your feet or body and jump from a high place. The rope pulls you back so you don't fall. It is very exciting and a little scary.

To do bungee jumping safely, you need a strong rope, a harness, a helmet, and a trained instructor. You also need to follow all the safety rules.

Have you ever tried bungee jumping? Would you like to try it one day?

Part 3:writing

Question:Think of a type of trip or activity,for example a walk in the hill or a judo class,and write survival tips.Write between 65and 85 words.

Follow the layout:

Choose an attractive title.

Paragraph 1:(introduce the activity ,and if it is fun or not and why)

Paragraph 2:what you should wear ,bring with you .

Paragraph 3:Write how you can stay safe, What you should not forget..

Paragraph 4:Give advice and encourage readers to follow the tips..

Survival Tips for a Walk in the Hills

Walking in the hills is a fun and healthy activity. You can enjoy fresh air and beautiful views. However, you must be careful and prepared.

Wear Comfortable Clothes.You should wear sports clothes and strong shoes so that you can walk easily and safely. Bring Water and Snacks.Take enough water and some light food so that you don't feel tired or thirsty.

Stay on the Path.Always walk on the marked path so that you don't get lost.

Go with a Friend.Never walk alone. Stay with your family or friends to be safe.Follow these tips and enjoy your walk in the hills! 🌞
