Queen of the Night

It is well known that most flowers bloom in the daytime and close up their petals at night. But did you know that there are some flowers that bloom only at night? In the deserts near Tucson, Arizona, there is a type of cactus called 'Arizona's Queen of the Night'. This plant hides an incredible secret. For most of the year, it looks like a typical cactus. But then, for only one night of the year, every Queen of the Night produces an amazing display of sweet-smelling, white flowers. By morning, the flowers have gone.

- 1 Generally, plants flower **during the day** / **at night**.
- 2 Arizona's Queen of the Night is a **desert** / **plant**.
- 3 The Queen of the Night blooms **every night** / **for one night only**.
- 4 You **can** / **can't** see the flowers the following day.

Writing Topics

Unit 1 - Description of a place كتابة وصف لمكان ما

Last week, our neighbourhood park was always dirty, empty, sad with lots of rubbish and little dead grass. Then some students in our local school decided to volunteer and turned it into a welcoming park. They did a great job.

First, they worked on cleaning the park and removed all the rubbish and yellow dead grass. The benches were painted in red, they repaired the playground, and planted a lot of flowers. If you come to the park, you will not recognize it. It is a beautiful place filled with laughter and joy.

Now, every day we can enjoy walking there and see colourful and sweet-smelling flowers with green grass. Every corner has a red rubbish bin which makes people use them and stop throwing rubbish in the park. We love going to our clean and splendid park now.

Unit 2 - Description of someone's unusual job. كتابة وصف لوظيفة غير معتادة

A Tiring Work Day

My brother has a great job at the Science Centre. He is a daytime underwater photographer and he rarely works at night. He needs to be very careful. In the early morning, he goes to the centre and checks his tools like the camera and underwater breathing device. He wears his diving suit and fins. Then, he speaks to the divers to ask for information.

After one hour, he is in water. He takes photos of many things like sand, coral reefs, fissures, ship wrecks and sea creatures. He also videos some scenes and uploads them on the Centre's youtube channel. Mostly, he spends one hour underwater, but sometimes he doesn't have to be in water, he lectures the visitors of the centre and shows them the photos and the videos. My brother says, 'Although I have a tiring job, I still love it!'

Writing – Unit 3

Description of an event

- Write **an email** to describe a famous **festival or celebration in your country** using (80–100) words. Use **sensory words** to say what you **see, hear, taste, smell** and **feel** at this event.

Subject : Bahrain National Day

Dear Ali,

Hi! How are you? I hope you are fine. I'm writing this E-mail to tell you about a national celebration from my country. Bahrain National Day is a Bahraini celebration. It marks the independence of Bahrain. It takes place on the 16th of December every year. It will be held in Manama this year.

On that day, people let off fireworks and decorate their cars and houses. They also beat drums and sing traditional songs. People wear traditional clothes and put-up streamers and pictures of the Royal Family. In addition, people go shopping at the shopping malls. They also take pictures with their families.

Anyway, I love this celebration because it makes me feel proud of my country.

Best wishes,

Hassan

Writing – Unit 4

Writing an advice E-mail

- Write an e-mail in (80-100) words about how to take care of an animal.

Dear Ahmed,

I have a new job as a zookeeper in a Conservation Centre. I am responsible for taking care of a new baby bear. Her name is Randy. The hunters killed her mother. I was sad to hear that.

Nowadays, I am learning a lot of things. What I should do and what I shouldn't do. If you want to be a zookeeper, you should learn things to take care of animals. You should keep them warm. You should feed them three times a day with healthy food like milk. You should teach them how to find food. You shouldn't mistreat animals. You shouldn't leave them alone.

I have to train Randy well to set her free after five years. It is important to help Randy to let her depend on herself. I am proud to help her.

Best wishes,

Ali
