*“Amazing” is an international website forum where people can post their wonderful experience and share it with the readers. Four people are talking about their experiences below.*

### **Cameron, Mexico**

In our school, we did a project in groups; it was called “Reduce, Reuse, Recycle”. You can reduce energy use by turning off lights. You can save water by turning off taps. You can reuse paper and plastic bags. You can also recycle by taking your bottles and cans to a recycling centre. It was very exciting to work on this project, all students were interested in finding new ways and things to “Reduce, Reuse, Recycle”! Our school headmaster was fascinated by the result and thanked us in front of everyone.

### **Scott, Australia**

There was a festival in our local park to raise awareness about the environment. It was amazing how many people visited the festival. There were talk shows and films about how we can prevent pollution, and there were people selling food, books and posters. It was very interesting. We had fun, and we helped the world at the same time.

### **Susan, USA**

We grow our own fruit and vegetables – they taste great. Our little ‘natural garden’ is helping the environment too – we eat healthy vegetables, and less food that has travelled thousands of miles in aeroplanes that cause pollution. I love how our garden helps to keep the nature clean. We also recycle water by using rainwater for our plants. So our plants grow healthier and more beautiful than other vegetables.

### **Nick, Canada**

I love animals, and my aunt and uncle have bought me a really special present. I have ‘adopted’ a rare animal! It’s an elephant called Kiruba. I can’t keep her here in Canada, she needs hot desert weather. So she lives in Africa, but I send money to people there who use it to look after her. I received a lovely poster, and I got information about her. I love helping nature directly like this.

**A. Answer the questions below. (2x4=8marks)**

1. How did the students feel about the project in Cameron school?

.....

2. What was the purpose of the festival that Scott visited?
