Writing Revision

10th – December -2025

Write an email between (80-100 words) to your friend telling him/her about a fun night-time event in a country.

Your email should include:

introduction: greetings. (information: date, time, and place).

main body: - What activities happen? / What you see, hear, taste, and smell?

closing remarks: How people feel at this event?

Dear Anne,

Hi, how are you? I am writing to tell you about a wonderful night-time Food Festival that I visited recently. It is one of the most exciting events in **Bahrain** it is the **Food Festival**.

Every year on **15th November** the festival starts in the **evening** and continues late into the night. When you enter the place, you can **see** colourful lights, busy food stalls, and chefs cooking live in front of everyone. You can also **see** families walking together and taking photos near the decorated booths. The whole area looks bright and lively.

Moreover, at night you can **hear** music playing, people laughing, and the sizzling sound of food cooking on grills. You can **smell** fresh spices, roasted meat, warm bread, and sweet desserts filling the air. You can **taste** many dishes like shawarma, falafel, noodles, and ice cream, and they are all delicious. When you walk between the stalls, you can **feel** the cool night breeze and the happy crowd around you, which makes the event even more enjoyable.

Finally, I have to stop now. This Food Festival is really fun and exciting, so I hope you can visit next year and enjoy it with me. I'm sure you will love it!

Best wishes,
Suzen

Write an advice email to your friend about your experience with a farm animals, and how to take care of animals. Your writing must include the following ideas:

(Paragraph 1): Greetings and introduction about your pet

(Paragraph 2): Give examples of what you should do to take care of the animals.

(Paragraph 3): Why should you take care of an animal in the farm

Dear Sue,

I hope you are fine. I want to tell you about my pet goat on my uncle's farm. It is small and cute, and I enjoy spending time with it.

To take care of farm animals, you **should** give them clean water every day. You **should** also give them healthy food. You **must** clean their place because a dirty area can make them sick. You **mustn't** hit or scare the animals. You **shouldn't** leave them alone for a long time. Sometimes you **have to** wash them or check if they are hurt. You **don't have to** spend all day with them, but you **should** check on them often.

We **must** take care of animals on the farm because they depend on us. We **should** protect them and keep them healthy. When we take care of them, they grow well and make the farm a happy place.

Best wishes,
Suzen
