First Intermediate – First Semester – Impact 1

Writing Topics

Unit 1 - Description of a place كتابة وصف لمكان ما

Last week, our neighbourhood park was always dirty, empty, sad with lots of rubbish and little dead grass. Then some students in our local school decided to volunteer and turned it into a welcoming park. They did a great job.

First, they worked on cleaning the park and removed all the rubbish and yellow dead grass. The benches were painted in red, they repaired the playground, and planted a lot of flowers. If you come to the park, you will not recognize it. It is a beautiful place filled with laughter and joy.

Now, everyday we can enjoy walking there and see colourful and sweet-smiling flowers with green grass. Every corner has a red rubbish bin which makes people use them and stop throwing rubbish in the park. We love going to our clean and splendid park now.

Unit 2 - Description of someone's unusual job. كتابة وصف لوظيفة غير معتادة

A Tiring Work Day

My brother has a great job at the Science Centre. He is a daytime underwater photographer and he rarely works at night. He needs to be very careful. In the early morning, he goes to the centre and checks his tools like the camera and underwater breathing device. He wears his diving suit and fins. Then, he speaks to the divers to ask for information.

After one hour, he is in water. He takes photos of many things like sand, coral reefs, fissures, ship wrecks and sea creatures. He also videos some scenes and uploads them on the Centre's youtube channel. Mostly, he spends one hour underwater, but sometimes he doesn't have to be in water, he lectures the visitors of the centre and shows them the photos and the videos. My brother says, 'Although I have a tiring job, I still love it!'

Unit 3 - Description of a festival or a celebration

وصف فعالية أو احتفالية

In spring every year, Bahraini people enjoy a wonderful event in Sakhir during daytime. The festival of Al-Marai lasts two weeks. All kinds of domestic animals are gathered in one place, people can go there and see, touch, taste animals' products, hear animals' sounds and smell special perfumes of beautiful roses.

Families walk happily in the crowded streets, looking at different kinds of amazing animals, while others are enjoying the marvelous birds beauty contests. Children can go to the art tent where they draw and colour animal pictures, but the thing they like the most is when they put their hands on the soft feathers of the parrots. The loud sound of cows fill the air.

One special thing is that you can buy fresh delicious milk from tents where the cows are. Workers lecture about how they make butter and yogurt. There are small shops selling some colourful clothes with pictures of animals.

Unit 4 - A letter giving advice of taking care of an animal

كتابة خطاب لإعطاء نصيحة للإعتناء بحيوان ما

Dear Bob,

I have volunteered in a Conservation Centre. I am responsible for taking care of a new baby leopard. Her name is Sandy. The hunters killed her mother. I was angry to hear that.

Nowadays I am learning many things. What I should do and what I shouldn't do. If you want to take care of an animal, you should keep them warm and bath them twice a week. You should feed them three times a day with healthy food like milk. You should teach them how to find food and build nests because you need to prepare them to be wild animals.

I have to train Sandy well to set her free after 3 years. It is important to help Sandy depend on herself. I am proud to help her. You should try volunteering, I am sure you will love it.

Best wishes

Alex
