Unit 5 : What we wear

Write an essay in 100-120 words about how a sport's uniform has changed. Include the following:

- a paragraph about how the uniform was.
- a paragraph about how the uniform is today.
- a conclusion.

Before 1870, there were no football uniforms. Players wore their own clothes which made it difficult to differentiate teams. They wore formal shirts, long shorts and leather boots. The uniform was made of heavy fabric.

Football uniforms have changed many times through the years. Today, football uniforms are very different. The shorts are shorter, and the uniform is made out of light fabric. This keeps football players cool as they run. players wear soft leather shoes. Each team now has its own colours. But these uniforms will change, too.

After all, sports teams need uniforms that are practical but also in fashion!

Unit 6: Mix and mash

**Write a paragraph about some upcycling ideas.
Include the following:**

- an introduction.
- at least 3 examples of upcycling.
- a concluding sentence.

Upcycling means the activity of turning old or used things into new items. People share a lot of amazing ideas about upcycling on the internet. There are so many interesting ideas to do with our old things.

For example, we can use metal cans to make holders for pens and pencils. **Another example** is to use old car tires to make plant pots. Some upcycling ideas are more **unfamiliar**, such as using a light bulb to make a fishbowl.

It is an opportunity to make use of old things, rather than discarding them as waste.

Unit 7: Cool apps and gadgets

Write a review in 100-120 words to describe a product. Include the following:

- What the product is.
- What you like about it. (Good/ Positive points)
- What you don't like about it. (Bad/ Negative points)
- Your opinion about it.

Do you like camping? This cool new gadget could help you. It is a smart electronic tent. You just need an app on your smartphone or tablet.

This product is amazing because it lets you camp easily without having to fix a tent yourself. You will just fix it by using an app on your smartphone. The tent will be fixed in 5 minutes. I love how the product lets you feel comfortable since it has electronic beds with relaxing pillows.

There are two things about this product that I don't like. First, if it is damaged, it won't be easy to repair it. Second, it is very expensive.

All in all, I give this product five out of ten.

Unit 8: into the past

Write an account of a festival or a celebration from your culture in 100-120 words. Include the following:

- a paragraph that includes topic sentence
- a paragraph that gives examples about the topic
- a concluding sentence
