FIRST INTERMEDIATE  
END OF FIRST SEMESTER EXAM / 2019

=====  
There are two questions in this exam, A and B. You must answer them both.

**Listening (A):**

**You have one minute to read the questions.**

**A. Listen to six short recordings, then tick (✓) the correct answer (a, b, or c).**

**1. How many people were at the meeting?**

Girl: Hi, how are you?

Boy: Fine, and you?

Girl: Fine, how was your meeting?

Boy: Good. But not what I expected.

Girl: Were there many people at the meeting? Three!!

Boy: Ha ha! No about thirty.

Girl: That's still not many.

Boy: No, but more than last time, there were thirteen.

## 2. How will Jill go to the football match?

- Man: Are you going to drive to the football match, Jill?
- Woman: I'm planning to.
- Man: But this time the stadium they're having the match in doesn't have a lot of car parks.
- Woman: Oh! Then I think parking will be difficult.
- Man: That's what I thought. I'm going to walk, if you want to come with me.
- Woman: OK then that's cheaper than the bus, and it's always late anyway!

## 3. Who's going to visit the woman?

- Woman: My sister's son is coming to stay with me tomorrow.
- Man: Oh, that's nice. I met him a long time ago!
- Woman: Oh, yes, I remember that!
- Man: Yeah! He was ten years old, didn't he?
- Woman: Well, he's a father now, you know. But he's not bringing the baby with him.
- Man: Oh, what a pity!

#### 4. What will Ruby do tonight?

Girl: Mum, Kate's just phoned.

Woman: Uhhmm...

Girl: She wants me to go to the cinema this evening.

Woman: You can't go out, Ruby!

Girl: Why?? Mum!!

Woman: If you haven't finished your school work, you can't go out.

Girl: But I have!

Woman: Oh, did you!

Girl: And I've even cleaned my shoes.

Woman: That's all right then, but don't be late!

#### 5. How much did the woman's desk cost?

Man: I've just spent sixty pounds fifty pence on a new desk. Very expensive!

Woman: Well, I paid sixty-six pounds fifty pence for mine. So your deal is better than mine!

Man: I saw one for fifty-five pounds, but it wasn't very good.

Woman: A good desk costs more than fifty-five pounds.

## 6. Where is the man's watch?

Woman: Honey! I'm home!

Man: Thank God! Can you help me? I can't find my watch anywhere!

Woman: Did you take it off when you did the washing-up last night?

Man: I've looked in the kitchen and it's not there.

Woman: Did you leave it in the bedroom last night, on the bedside table?

Man: No, I already checked there!

Woman: Here it is. You left it on the bath before you went to bed.

## Listening (B)

You have one minute to read the questions.

***B. Listen to a dialogue between a man and his friend on the telephone about a party. Listen and fill in the form below. Use one word only or numbers in each space.***

Tony: Hello, is that Sally?

Sally: Yes?

Tony: This is Tony Bassett. We were at Romford School together.

Sally: Oh hello, Tony! I remember you well.

Tony: Great! I thought you wouldn't remember me.

Sally: No way! I have a good memory. I remember everyone from school.

Tony: Good, well there's going to be a party for the students in our year at Romford School.

Sally: Oh nice! When will it be?

Tony: Well, we started at that school on the fourth of September, but the party has to be on the seventh almost exactly ten years later.

Sally: That's a Saturday, isn't it? I know our first day at school was a Tuesday.

Tony: That's right. Do you remember my sister, Margaret? It's at her house.

Sally: Oh yes . . . she got married, didn't she?

Tony: Yes. You do have a good memory.

Sally: hhh, it's a gift.

Tony: Well, she's Margaret Jaggard now.

Sally: Is that J A double G A R D?

Tony: That's right. She lives in Park Road at number eleven, near the park entrance.

Sally: That'll be easy to find. Can I bring something to eat or drink?

Tony: There will be enough food, but everybody is going to bring some photos we'll enjoy looking at them.

Sally: I'll put the date in my diary.
