(Unit 5) Write an essay about a sport's uniform and how it has changed over time in 100-120 words

Before the 1900s, there were no special basketball uniforms. Basketball players wore any type of athletic clothes which made it difficult to differentiate teams.

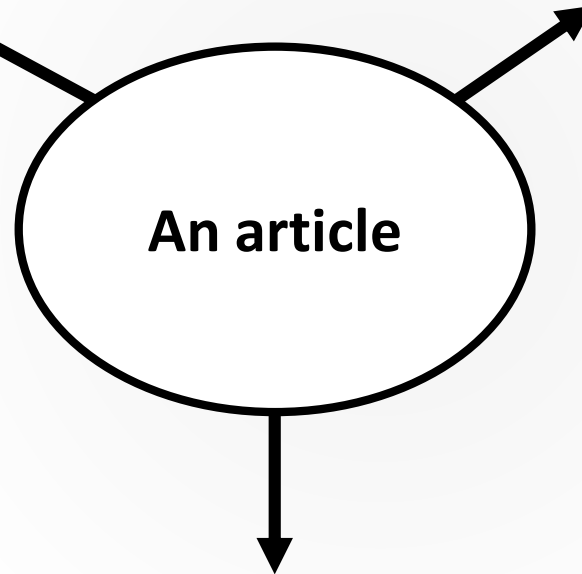

The first basketball uniform had knee-length padded pants or shorter pants with long tights. There were two types of T-shirts, one with sleeves, while the other was sleeveless. The entire uniform was made of heavy wool. They wore special basketball shoes with suction cups.

Basketball uniforms have changed through the years. Basketball uniforms are very different. Today they wear long shorts and sleeveless t-shirts. The uniform is made of lighter polyester and nylon. They wear sneakers, this keeps basketball players cool as they run or jump.

(Unit 6) when you write an exemplification article about a topic, you need to include the following:

2- When you finish writing, you need to proofread your text. In short, find mistakes and correct them.

(Unit6) Write an article in 100-120 words about some upcycling ideas.

Upcycling is really wonderful. It means the activity of turning old or used things and trash into new items.

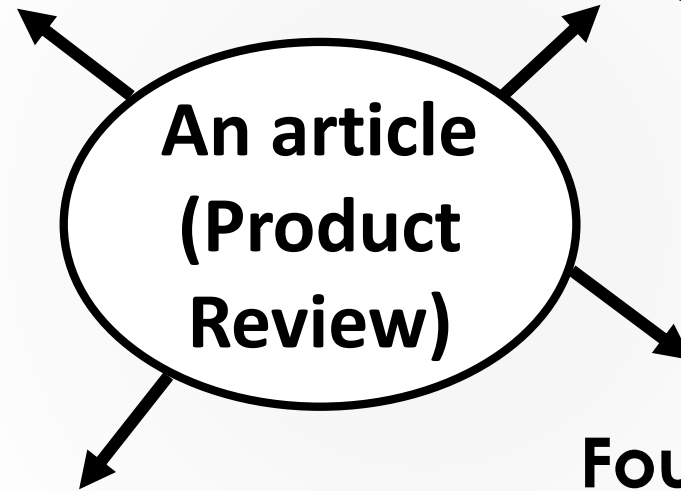

Combining things to make new useful things is a very popular activity nowadays. People share a lot of amazing ideas about upcycling on the internet. For example, You can use coloured car tires as plant pots or swings. Another example is to use damaged wooden products to make toys for children or even a small coffee table for the reading corner at home. Party dresses can turn into fancy cushions for the living room. Some upcycling ideas are more unusual, such as turning a small frying pan into a bird feeder. You just need to fix it in a cage, and surely you need some seeds for the birds.

There are so many fascinating ideas to do with our old things and junk. It is an opportunity to make use of them, not to dispose of them as waste. Let's keep earth clean.

(Unit 7) When you write a product review, you need to include the following:

First Paragraph: you need to start with a sentence that explains the topic or idea you want to write about. For example,

Second paragraph: you need to mention the good (positive) points about the product.

Third paragraph: you need to mention the bad (negative) points about the product.

Fourth paragraph: write your opinion about the product and rate it out of ten.

(Unit 7) Write a product review on a device of your choice in 100-120 words.

Do you like gaming? Well, if you enjoy playing video games, this popular gadget could be perfect for you. It is the PlayStation 5. You just need a controller and a screen to start playing.

This product is amazing because it lets you enjoy high-quality games without any trouble. It runs very fast and has great graphics. Think about it: You come home after a long day, and you just want to relax. You will turn on the PS5, then you will start playing your favorite game in seconds. I love how the product makes you feel excited since it has a cool design and smooth performance.

This product is incredible, but there are two things about it that I don't like. First, it takes a lot of space, and it might not fit easily in small areas. You would also need to organize your setup carefully. The company is trying to improve this by making slimmer versions. Second, it is very expensive and not all people can afford it.

All in all, I am not a fan of this product as I prefer Xbox, thus, I give it seven out of ten.

Eid Al Fitr is a special day. It is celebrated around the Islamic world at the end of the holy month of Ramadan every year. This day is very important for people who finish fasting in Ramadan.

In Bahrain, people celebrate Eid Al Fitr every year. Bahraini people wear new clothes and visit relatives, and families gather to share joy. In addition, it is a public holiday for three days. Early morning on the first day people go to mosques to pray and thank Allah for helping them fast in Ramadan.

Moroccan women decorate their hands with henna.

In the Islamic world, all people celebrate Eid Al Fitr in different ways that reflect their cultures, but all share the joy .
