Unit5/Write a story:

Last week, I was with my family in the park. We were having a nice time.

My father was reading newspapers, my mother was walking and my brothers were playing football. I was taking some photos.

Suddenly, the weather changed. The sky was full of dark clouds and there was a strong wind, so it was raining heavily. Sadly, we were not carrying umbrella and our car was very far. Quickly, we ran to the car.

We all were sad. It was the worst day ever.

My name is Amal and I'm 14 years old. I study in Sanabis Int. Girls' School. I like reading books and walking. I'm a bit nervous about joining the game, but I can't wait to start it. I don't mind living away from the city. My luxury item is my phone.

Unit 8/ film review

Dear Mary,

Hi! How are you? I was busy doing my projects. I will tell you about my best movie. It's Home Alone and it's a comedy film.

The film is about a family who travels and forgets a boy alone at home. Kevin is a clever boy who stops the thieves from stealing the house. The scenes are comic and the music is exciting.

I enjoy watching it and you can see it. Take care and see you soon.

Yours,

Anna
